Meet your new favorite kickass heroine in this daring YA series by New York Times bestselling authors Rachel Caine and Ann Aguirre, a thrilling yet romantic futuristic adventure perfect for fans of Claudia Gray's A Thousand Pieces of You. Petty criminal Zara Cole has a painful past that's made her stronger than most, which is why she chose life in New Detroit instead moving with her family to Mars. In her eyes, living inside a dome isn't much better than a prison cell. Still, when Zara commits a crime that has her

running scared, jail might be exactly where she's headed. Instead Zara is recruited into the Honors, an elite team of humans selected by the Leviathan—a race of sentient alien ships—to explore the outer reaches of the universe as their passengers. Zara seizes the chance to flee Earth's dangers, but when she meets Nadim, the alien ship she's assigned, Zara starts to feel at home for the first time. But nothing could have prepared her for the dark, ominous truths that lurk behind the alluring glitter of starlight.

action-packed tale full of romance, royalty, and adventure, inspired by the story of Anastasia. Perfect for fans of Six of Crows, Cinder, and the cult classic television show Firefly. Seventeen-year-old Ana is a scoundrel by nurture and an outlaw by nature. Found as a child drifting through space with a sentient android called D09, Ana was saved by a fearsome space captain and the grizzled crew she now calls family. But D09—one of the last remaining illegal Metals—has been glitching, and Ana will stop at nothing to find a way to fix him. Ana's desperate effort to save D09 leads her on a quest to steal the

He has his own reasons for taking the coordinates, and he doesn't care what he'll sacrifice to keep them. When everything goes wrong, she and the Ironblood end up as fugitives on the run. Now their entire kingdom is after them—and the coordinates—and not everyone wants them captured alive. What they find in a lost corner of the universe will change all their lives—and unearth dangerous secrets. But when a darkness from Ana's past returns, she must face an

the solar system, Kenzie has trained her entire life for one goal: to become an elite guard on Sanctuary, Omnistellar's space prison for superpowered teens too dangerous for Earth. As a junior guard, she's excited to prove herself to her company—and that means sacrificing anything that won't propel her forward. But then a routine drill goes sideways and Kenzie is taken hostage by rioting prisoners. At first, she's confident her commanding officer—who also happens to be her mother—will stop at nothing to secure her freedom. Yet it soon becomes clear that her mother is more concerned with sticking to

Leo and Naomi are drafted, along with twenty-two of the world's brightest teenagers, into the International Space Training Camp, their lives are forever changed. Overnight, they become global celebrities in contention for one of the six slots to travel to Europa—Jupiter's moon—and establish a new colony, leaving their planet forever. With Earth irreparably damaged, the future of the human race rests on their shoulders. For Leo, an Italian championship swimmer, this kind of purpose is a reason to go on after losing his family. But Naomi, an Iranian-American science genius, is suspicious of the ISTC and
