As times change, so do norms of behavior in the office. 301 Smart Answers to Tough Business Etiquette Questions has the answers you need to survive daily life in the professional environment. Following the same popular Q&A format of her bestselling 301 Smart Answers to Tough Interview Questions, Oliver will tell you how to get the job and how to keep it by navigating all the intricacies of the modern workplace. Where other etiquette guides evoke images of a stilted and stuffy Victorian tea party, Oliver's witty answers to common questions are both engaging and accessible. She believes that etiquette is not a throwback to some bygone age, but has a direct and tangible impact on your career right here and now. Of course the white gloves as she tears away the corporate veil to reveal things they still don't teach at Harvard Business School, such as: Making a good first impression (and how to fix a bad one!) How to behave in elevators, airplanes, and supply closets Surviving cabs, commutes, and coffee shops Why time is not necessarily money everywhere on the planet Pre-approved conversational topics from A to Z Dining rules and regulations for the twenty-first century What to do when you are suddenly unemployed Electronic communication And much more! 301 Smart Answers to Tough Business Etiquette Questions will ensure that you know how to conduct yourself in every conceivable professional interaction.

"The ultimate job interview book! A systematic, foolproof way to generate offers. No job seeker should be without it." -National Job Market "The programmed system works because it is a simple, practical, proven way to interview properly. Use it to win the interview and win the job!" -Mary Lyon, Associated Press "Allen's 'Q&A' interview approach eliminates the fear of the unknown, replaces it with the confidence of knowing what to expect, and trains the applicant to get job offers." -Kimberly A. Heliyar, Director, Training Consultants International What is a job interview anyway? Is it an objective examination of your experience, skills, and work ethic? Not quite. It's a screentest. You're the actor. In this bestselling guide, Jeff Allen, the world's leading authority on the interview process, shows you how getting hired depends almost completely on the "actor factor." If you know your lines, perfect your delivery, and dress for the part, you'll get hired. If you don't, you won't. In The Complete Q&A Job Interview Book, Jeff develops your own personalized interview script to prepare you in advance for any question that comes your way. Covering questions on everything from personal background to management ability and technological know-how, he gives you a fail-safe delivery format for responding the right way every time. This new edition has been updated to guide you through today's changing job market, and includes an entirely new chapter on dealing with the latest open-ended interrogation questions. If getting a job is playing a part, this is your starring role. Follow the director, and you'll be a superstar!

In today's tightening job market, the interview is a key stage. But too often in job interviews, candidates freeze and can't find the words they need to make the best impression. Now this clear, concise guide shows the best way to answer all the essential questions.

Asking the right questions can help job seekers ace the interview and land that job. The most critical question job interviewers ask is often the last one. That's when they lean forward and say, "Do you have any questions?" As author John Kador points out, that's the applicants' moment to shine, to demonstrate that they have done their homework and that they're good fit with the organization. Most of all, it provides an applicant with an opportunity to ask for the job. A powerful resource for vast and growing numbers of job seekers, this book fills readers in on the pivotal questions they need to ask to ace the interview. With chapters organized around major themes, such as "the company," "the job," and "the community," 201 Best Questions to Ask on Your Interview not only supplies readers with the right questions for virtually every context but also coaches them on the right ways to ask them.
