romance, passion and excitement. Ironically, the Psychologist husband fails to read between the lines and Natasha is left to her own devices to deal with her unresolved emotions. An unexpected call from India takes her through a journey of self-discovery with her devastatingly handsome work colleague, Steve. She uncovers in some aspects urban India has changed considerably but equally, deep-rooted social issues still prevail in the so called modern, educated, changing society. A chance encounter with her 'blast from the past' - Veer, adds to the emotional rollercoaster ride. Her one-man-woman status of many years has failed to equip her with vital tools to deal with the unanticipated surge of attention from Steve and Veer. As she attempts to master the finer points of courtship, flirtation and seduction; her life spirals out of control. Natasha is compelled to make tough decisions about her love, friendship, marriage and parenthood.
