The Cambridge History of India was a major work of historical scholarship published in five volumes between 1922 and 1937 by Cambridge University Press. Some volumes were also part of The Cambridge History of the British Empire. Production of the work was slowed by the First World War and the ill health of contributors, and Volume II had to be abandoned. The Cambridge Shorter History of India, edited by H. H. Dodwell, appeared in 1934. The New Cambridge History of India was

This volume explores the emergence of ideas and practices that gave rise to the so-called "caste-society." Using a historical and anthropological approach, the author frames her analysis in the context of India's economic and social order, interpreting caste as a contingent The phenomenon of caste has probably aroused more controversy than any other aspect of Indian life.

Format: Paperback Romila Thapar is
the person to start with if u want an
overview of Indian history. She does
not concentrate so much on
personalities as she does on the
society of the relevant eras. Highly
readable and certainly the best book

This is the first part of a two-volume history of India; the second part, written by the British historian Percival Spear, covers the period from 1526 to the present day. 1526 was chosen as the dividing-line because that was the year which marked the rise to power of the Mughuls. (Thapar ' s preferred spelling.
