American heroes in the course of their all-too-human events. Ineffectual presidents, lazy generals, traitors; treacherous fathers, nagging mothers, ungrateful children, embarrassing siblings; and stories about insanity, death, and disturbing postmortems are all here, as are disagreeable marriages, vile habits, and, of course, sex: good sex, bad sex, and good-bad sex too. We can take comfort in the fact that we are no worse and no better than our forebears. But we do have better media coverage. Bonus educational material: A brief history of the United States, including scandals! The American Hall of Shame! A complete listing of presidential administrations!

We may say that honesty is the best policy, but history—to say nothing of business, politics, and the media—suggests otherwise. In this infinitely citable book, the author of two bestselling treasuries of scandal recounts some of the greatest deceptions of all time. With what forged document did the Vatican lay claim to much of Europe? Who wrote Hitler's diaries? Why do millions still believe the vague doggerel that Nostradamus passed off as prophecy? Organizing his material by theme (con artists, the press, military trickery, scientific fraud, imposters, great escapes, and more), Michael Farquhar takes in everything from the hoodwinking of

Hitler to Vincent “the Chin” Gigante’s thirty-year crazy act. A Treasury of Deception is a zestful, gossipy exposé—and celebration—of mendacity. A Treasury of Deception also includes: Ten tricksters from scripture Ten great liars in literature Ten egregious examples of modern American doublespeak Ten classic deceptions from Greek mythology

The well-known actor and seasoned gourmet presents a charming guide to home cooking that focuses on four centuries of traditional American cuisine. The richly illustrated hardcover volume offers a wide range of easy-to-make recipes, including many regional favorites.

"Good cooking is where you find it," according to the authors of

this unique collection, whose international smorgasbord ranges from the haute cuisine of Europe's finest restaurants to the juicy hot dogs at Dodger Stadium. In perhaps the first celebrity cookbook, famed actor Vincent Price and his wife, Mary, present mouthwatering recipes from around the world in simplified, unpretentious forms that anyone can make and enjoy. Selected from London's The Ivy, Madrid's Palace Hotel, New York's Sardi's, and other legendary establishments, the recipes are accompanied by witty commentaries, while color photos and atmospheric drawings by Fritz Kredel make this one of the most beautiful books of its kind. Includes a Retrospective Preface by the couple's daughter, Victoria Price, and a new Foreword by Wolfgang Puck.

From Nero's nagging mother (whom he found especially annoying after taking her as his lover) to Catherine's stable of studs (not of the equine variety), here is a wickedly delightful look at the most scandalous royal doings you never learned about in history class. Gleeful, naughty, sometimes perverted-like so many of the crowned heads themselves-A Treasury of Royal Scandals presents the best (the worst?) of royal misbehavior through the ages. From ancient Rome to Edwardian England, from the lavish rooms of Versailles to the dankest corners of the Bastille, the great royals of Europe have excelled at savage parenting, deadly rivalry, pathological lust, and meeting death with the utmost indignity-or just very bad luck.
