This faith-based novel of a strong woman made even stronger by surviving a tragedy will appeal to a broad audience. It is a prequel to Snelling's popular Red River of the North saga (An Untamed Land, 1996; A New Day Rising, 1997; A Land to Call Home, 1997), but would also work well as a stand-alone title. --Shelley Mosley

An Untamed Heart by Lauraine Snelling is the prequel to the Red River of the North series. I absolutely loved all the books about Ingeborg's family so I was super excited to read it. But I was also kinda leery. Would it be interesting even though I knew the outcome? Would it lack the same flavor as the other books in the series?

I love the way Lauraine Snelling writes. She is talking from the heart. Yes, really the work load and the hard work the Norwegians did accomplish in a day, week, etc was incredible to what we and our youth do today. I marvel at how hard my mother,s generation worked (and my grandparents and great grandparents worked)!

The Long-Awaited Prequel to the RED RIVER OF THE NORTH Series Twenty-year-old Ingeborg Strand is certain she is destined to be an old maid. She's had several suitors but none she deemed worthy of spending her life with. That is, until she meets a university student from Oslo, and feelings stronger than friendship begin to develop between them. But tragedy strikes, and the future begins to look bleaker than ever. Grief settles heavily over Ingeborg, and her mother suggests that she leave Norway and start afresh in America, as so many others have done before her. But how will she accomplish that with little money and no one to accompany her? It isn't long before she meets Roald Bjørklund, a widower who has been planning to go to America for some time, lured by the promise of free land. He's a good man, a hard-working man--and he has a young son who desperately needs a mother. He's clearly interested in Ingeborg, but is he the answer to her prayers? And what about love? This isn't how she's always imagined it. Ingeborg Strand has a heartrending decision to make...

Proud of Their Heritage and Sustained by Their Faith, They Came to Tame a New Land She had promised herself that once they left the fjords of Norway, she would not look back. After three long years of scrimping and saving to buy tickets for their passage to America, Roald and Ingeborg Bjørklund, along with their son, Thorliff, finally arrive at the docks of New York City. It was the promise of free land that fed their dream and lured them from their beloved home high above the fjords of Norway in 1880. Together with Roald's brother Carl and his family, they will build a good life in a new land that promises untold wealth and vast farmsteads for their children. As they join the throngs of countless immigrants passing through Castle Garden, they soon discover that nothing is as they had envisioned it. Appalled by the horrid stories of fellow immigrants bilked of all their money and forced to live in squalid living conditions, the Bjørklunds continue their long journey by train as far as Grand Forks. From there a covered wagon takes them into Dakota Territory, where they settle on the banks of the Red River. But there was no way for them to foresee the price they will have to pay to wrest a living from the indomitable land. The virgin prairie refuses to yield its treasure without a struggle. Will they be strong enough to overcome the hardships of that first winter?

Astrid Bjørklund tries to stop the horrific epidemic that is ravaging the Red Bud Indian Reservation in South Dakota, but when the man she loves cannot accept her calling to become a doctor, she faces a difficult choice.

Book Two in Lauraine Snelling's Exciting Wild West Wind Series After fleeing North Dakota and the now defunct Wild West Show, Cassie Lockwood and her companions have finally found the hidden valley in South Dakota where her father had dreamed of putting down roots. But to her dismay, she discovers a ranch already built on her land. Cassie's arrival surprises Mavis Engstrom and forces her to reveal secrets she's kept hidden for years. Her son Ransom is suspicious of Cassie and questions the validity of her claim to the valley. But Lucas Engstrom decides from the start that he is in love with her and wants to marry her. Will Cassie be able to build a home on the Bar E Ranch and fulfill her father's dream of raising horses, or will she be forced to return to the itinerant life of her past?

Eighteen-year-old Astrid Bjørklund has always dreamed of becoming a doctor. She had intended to study medicine in Chicago or Grand Forks, but when a disaster wiped out a major portion of her family's income, Astrid stayed home instead, receiving hands-on training from Dr. Elizabeth. Joshua Landsverk left Blessing two years ago, but he's never forgotten Astrid. Returning to town, he seeks to court her. Astrid is attracted to him, and when the opportunity unexpectedly opens for her to go to Chicago for medical training, she finds it difficult to leave. Love blossoms through their letters, but upon arriving back home, she makes a heartbreaking discovery. Will she have to give up love to pursue her dream?

Successive events challenge the Bjørklund family as Kaaren delivers a baby who is deaf, Solveig, Kaaren's younger sister, is injured in a train wreck, and Penny despairs over whether Hjelmer will ever return for her.

Return to Blessing, North Dakota, with the story of Andrew Bjørklund and Ellie Wold. After graduating in May of 1900, the two make plans to marry once the harvest is over and their new house is finished. They spend the summer working hard, and the Lord seems to shine on and in them in a special way. Everyone rejoices in their happiness. Everyone except for Toby Valders, who is determined to get even for all the drubbings he has taken from Andrew through the years. Andrew, however, has promised Ellie there will be no more fistfights. But when their new barn burns--and many of their possessions and dreams with it--Andrew throws his vows of nonviolence aside, reaping bitter consequences. Why is the life he has so looked forward to now unraveling so quickly? (Daughters of Blessing Book 1)

Larkspur Nielsen is ready for a change. Her parents have passed on, and her older brother is successfully running the family business. She bristles at the small-mindedness that permeates life in her small Ohio community, and she sees little chance of a satisfying future there. She has a little money saved, and after turning the tables on a crooked gambler who had fleeced several locals, including her younger brother, she can stake a new start for herself and her three sisters. As the gambler's threats of revenge echo in her ears, she and her sisters head to Independence, Missouri, to join a wagon train bound for Oregon. Knowing that four women traveling together will draw unwanted attention, Larkspur dons a disguise, passing herself off as "Clark" Nielsen, accompanying his three sisters. But maintaining the ruse is more difficult than Larkspur imagined, as is protecting her headstrong, starry-eyed sisters from difficult circumstances and eligible young men. Will reaching their goal prove too much for them?
