Deryn and I had a late flight so needed to kill a few hours in the morning. We walked up from Dulwich and entered what must be one of the strangest museums. The Horniman houses an eclectic collection of objects with no real theme holding them together. Preserved bugs and butterflies are within reach of voodoo shrines, musical instruments and Hindu and Buddhist figurines.

No Stopping is book 3 and the finale of the Teutonic Knights MC trilogy! I'LL BREAK HER TO FIND OUT WHAT SHE'S HIDING. From the second she ran into my bar, she belonged to me. She says she's desperate for my protection from the man who abused her. Part of me wants to believe her. But there's something she's not telling me. And I'll break her to find out the truth.

The pilot-less drones, smart bombs and other high-tech weapons on display in recent conflicts are all the outcome of weapons research. However, the kind of scientific and technological endeavour has been around for a long time, producing not only the armaments of Nazi Germany and the atomic bombs dropped on Japan, but the catapults used in ancient Greece and Rome and the assault rifles used by child soldiers in Africa. In this book John Forge examines such weapons research and asks whether it is morally acceptable to undertake such an activity. He argues that it is in fact morally wrong to take part in weapons research as its primary purpose is to produce the means to harm others, and moreover he argues that all attempts to then justify participation in weapons research do not stand up to scrutiny. This book has wide appeal in fields of philosophy and related areas, as well to a more general audience who are puzzled about the rate at which new weapons are accumulated.

This book is a thorough, practical review of the challenges facing clinicians treating skin microbes and how to combat these therapeutic dilemmas. It expresses the critical public health concern of antimicrobial resistance and shows how microorganisms are developing the ability to halt the progress of antimicrobials like antibiotics, antivirals, and antifungals. Chapters are grouped together in five sections for ease of use. The first three sections of the book convey foundational information on the mechanisms of antibiotics, antivirals, and antifungals resistance, as well as the implications of lack of vaccination. The fourth section then turns to the specifics of drug resistance for protozoan and helminth infections focusing primarily on initial and subsequent resistance to treatment. The book closes with a discussion on the potential solutions of innovative therapy including new delivery mechanisms, broad-spectrum antibiotics, phytochemicals, and biofilms. Chapters feature magnified, microscopic photos for identifying structures as they appear on the skin. Part of the Updates in Clinical Dermatology series, Overcoming Antimicrobial Resistance of the Skin is an important resource relevant during the COVID-19 pandemic, and is written for all medical healthcare professionals.

Shakespeare between Machiavelli and Hobbes explores Shakespeare's political outlook by comparing some of the playwright's works to the works of Italian political theorist Niccolò Machiavelli and English social contract theorist Thomas Hobbes. This ultimately reveals the materialist principles that underpin Shakespeare's imaginary states.

The Reunion of the Musketeers: In this sequel to "The Three Musketeers," d'Artagnan has completely lost touch with his friends. The group has been broken up. The two noblemen, Arthos and Porthos, have left the service and are living on their estates, Aramis has gone into the Church, and d'Artagnan alone is still in the King's guard. When Queen Anne needs again the group's service, Cardinal Mazarin commissions d'Artagnan to go in search of his friends. "Twenty Years After" follows events in France during a civil war (the "Fronde," 1648-1653), and in England at the time of Oliver Cromwell until the execution of King Charles I.

Little What's-His-Name (Le Petit Chose) - Alphonse Daudet's (1840-1897) first published, though not his first written, novel - appeared in 1868. The first part was composed in that Southern France it describes so charmingly; its first chapters form one of the most touching of autobiographies. In the second

part Daudet has to tell of the struggles of an idealistic young poet in the selfish, devouring whirlpool of Paris. The whole book seems to bear the impress of the circumstances under which it was written. It is full of the milk of human kindness. --- When Daudet wrote *Le Petit Chose* in his early manhood, he succeeded in producing one of the most delightfully idyllic of his works, one that will probably continue to be read as long as any of the more powerful novels of his prime. It is one of the most perfect representations in literature of childhood's hopes and fears and of youth's aspirations and defeats. It is perfect because it is real. --- Enjoy to the full one of the purest and most exquisite stories of youthful experience to be found in French or in any other literature. (W. P. Trent)

*The New Messiah* is a novel of personal discovery set in the 1970's. Neal Shelley is an idealistic poet who falls in love with a woman he meets while hitchhiking across America during the Bicentennial summer of 1976. But despite the storybook beginning, the love affair soon fades and Neal is left disillusioned and searching for answers in his life. In his disheartened state, he conceives a utopian plan to launch a new messiah movement which he hopes will end his and everyone else's unhappiness. He enlists his charismatic friend, Andrew Moore, to pose as a modern-day savior. They begin their mission with a sermon on the Venice Boardwalk. The initial sermon succeeds brilliantly but then Neal's plan takes an unexpected turn as Andrew starts to truly believe he is the Chosen One. Inspired by actual events, *The New Messiah* shows how American youth culture in the mid-1970's-characterized by a quest for higher consciousness; pre-AIDS sexual promiscuity; recreational drug use; pop mysticism; irreverent humor; and cynicism and alienation in the post-Watergate "malaise" era-was the soil out of which a messiah movement could grow. One of the most striking features of *The New Messiah* is its play-like format. The story is told through the conversations of the characters. The authenticity of the dialogue in the party scenes, street scenes, and intimate one-on-one scenes will no doubt be appreciated by readers who lived through that time period. College-age readers today may also find much to identify with in the novel's depiction of 70's youth culture.

Historical prose translation of the famous Polish verse epic. In the book, Tadeusz tells the story of two feuding noble families; it takes place in a fictional idyllic village, in 1811 and 1812, after the division of Poland-Lithuania between Russia, Prussia, and Austria. --- "No European nation of our day has such an epic as *Pan Tadeusz*. In it *Don Quixote* has been fused with the *Iliad*. ... *Pan Tadeusz* is a true epic. No more can be said or need be said." (Zygmunt Krasinski) --- "No play of Shakespeare, no long poem of Milton or Wordsworth or Tennyson, is so well known or so well beloved by the English people as is *Pan Tadeusz* by the Poles. To find a work equally well known one might turn to Defoe's prosaic tale of adventure, *Robinson Crusoe*; to find a work so beloved would be hardly possible." (George Rapall Noyes)
