His intentions are put to the test, however, when his dog becomes infatuated with hers. The two crafty canines do their best to break down the barriers between the properties. By New York Times bestseller Sarah Mayberry and USA Today bestseller Sarina Bowen The first time I lay eyes on Callan Walker, I know he'll be trouble. With his smug grin, hot Aussie accent and thousand dollar shoes, he's just the kind of rich guy who always gets what he wants. And he wants two things: a night of sin, and my cooperation as he outmaneuvers his powerful mother to take control of his uncle's estate. I can't afford either one. I'm the only thing standing between my little sister and the foster care system. He may have money and charm on his side, but I have something even more powerful -- pure desperation. This temp job at his mother's company can become a full time job for me. It has to. But when Callan's eyes rake over my body, sometimes I forget my obligations. His piercing gaze finds the fun, optimistic girl I used to be and not the tired person I've become. And it works--if only for a moment. Our night together was a mistake. I can't afford to get sucked into his high-powered family's treachery. But the closer I get to Callan, the more layers I find beneath those expensive clothes. Though I can't forget this is temporary. He's temporary. I have too much to lose. Too bad my foolish heart didn't get the memo... \*\*\*\* Perfect for fans of: billionaire romance, Carly Phillips, Vi Keeland, Penelope Ward, Meghan March, Elle Kennedy, Kendall Ryan, and Lauren Blakely.

The definition of a happy man? The guy who knows exactly what he wants and has it. That's Harry Porter. He's got the perfect job, the best buddies and no commitments beyond the next good time. It's the ideal life. Then he stops to help Pippa White when she's stranded by the side of the road. He's known —and liked —her for a while, but as the ex of a friend, she's entirely off-limits. And as fun as the banter with her is, Harry knows single moms are out of his league. So why all the excuses to see Pippa again —and again? And why can't he stop thinking about her? But most puzzling of all is how Harry suddenly wants to swap a night with the boys for one with only Pippa!
