A Manual Greek Lexicon of the New Testament by George Abbott-Smith, first published in 1922, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

Chinese edition of Three Cups of Tea. The author, an avid mountain climber, was injured climbing the K2. He was rescued and nursed by the locals. During his recovery, he learned of his sister's premature death. These two events prompted him to rethink his life, and he decided to build a school for the children of this poor village. This memoir chronicles how what began as a return for kindness turned into a passion. In Traditional Chinese.
