With homage to the greatest cars and good-natured mockery of the strangest, authors Matt Stone and John Matras detail which cars to drive and why, how to get behind the wheel, where to drive them, and who to invite along for the ride. Each entry contains a colorful spec box noting the car's claim to fame, a *Did You Know?* factoid, the author's clever suggestions for "The Perfect Passenger" and the "Soundtrack" coming out of the speakers, *Behind the Wheel* notes, and a "Perfect Drive" for the marque or model
