The book offers the students an opportunity to familiarise themselves with the nature and level of complexity of questions asked in GATE and helps them in topic-wise preparation for the examination. Solutions to most of the questions and answer keys have been provided at the end of each Papers.

India Policy Forum is an annual publication jointly promoted by the National Council for Applied Economic Research, New Delhi and the Brookings Institution in Washington D.C., with the objective of presenting high-quality empirical research on the major economic policy issues that confront contemporary India. The papers cover a diverse set of macro and microeconomic topics of relevance to policymakers. The prime objective of this volume is to make the policy discussion accessible to a broad non-specialist audience within India and abroad and assist in the development of a global network of scholars interested in India's economic transformation.

For cracking any competitive exam one need to have clear guidance, right kind of study material and thorough practice. When the preparation is done for the exams like JEE Main and NEET one need to have clear concept about each and every topic and understanding of the examination pattern are most important things which can be done by using the good collection of Previous Years' Solved Papers.
