Amazon.co.uk: carbon paper a4

A sheet of carbon paper is placed between two or more sheets of paper. The pressure applied by the writing implement (pen, pencil, typewriter or impact printer) to the top sheet causes pigment from the carbon paper to reproduce the similar mark on the copy sheet(s). More than one copy can be made by stacking several sheets with carbon paper between each pair. Four or five copies is a practical limit. The top sheet is the original and each of the additional sheets is called a carbon copy.

Carbon copy - Wikipedia

The pressure applied to the top ordinary sheet caused the carbon to be imprinted onto the sheet below it so that an exact copy was instantly made. Carbon paper was expensive and the process time consuming and fiddly until paper manufacturers invented a special paper which did the same job as carbon paper. This paper was given the inspirational name of "No Carbon Required" or NCR for short.

Carbon paper - Wikipedia

This Birch Carbon Paper is perfect for your sewing projects. Made from high quality material and built to last, it will be a remarkable addition to your sewing needs and your upcoming sewing projects. Come and take home yours and start sewing away with us today!

This book covers the technology of the recovery of secondary fibre for its use in paper and board manufacture. The editor, who has had substantial practical experience of designing and commissioning paper recycling plants all over the world, leads a team of experts who discuss subjects including sourcing, characterisation, mechanical handling and preparation and de-inking.

Based on the principle of learning by doing. The book concentrates on developing the knowledge, skills and competencies required within the NVQ schemes for business administration levels I and II, as well as covering elementary/intermediate clerical duties and office skills courses.

Formerly known as Mastering Secretarial Procedures. New Study Brand reprint. This text has been designed with students in mind. It is based on the principle of 'learning by doing'. It concentrates on developing the essential knowledge, skills and competences required within the NVQ schemes for Business Administration Levels 1 and 2, as well as covering the criteria for most of the elementary/intermediate clerical duties and office skills courses. It provides a realistic approach to enable students to understand the different procedures and documentation they will meet in the various departments of business organisations. Comprehensive coverage is given to the many aspects of business from traditional office procedures to the latest electronic developments.
