A critical component of a family-based or family-friendly youth ministry is a conscious strategy for ministry to the parents of adolescents. Expectations and opportunities in the area of parent and family ministry have increased dramatically. Youth Worker's Guide to Parent Ministry develops a model of parent ministry based on the belief that for a youth worker to be truly effective, it is important to lay careful relational groundwork to ensure that the right to be heard has been earned. Dr. Marv Penner, respected adolescent researcher, youth pastor, and family counselor, presents nine evolving levels of parent ministry--each one strengthening the credibility of the youth worker and opening doors to deeper and more meaningful parent support. Each of the nine levels is supported with a number of practical ideas and strategies for implementation. Youth Worker's Guide to Parent Ministry provides both a theoretical framework and the tools for implementation in local-church or para-church settings. Marv constructs his effective plan in a "Paradigm Pyramid"--rationale and practical hands-on programming ideas at each of the nine evolving levels of parent ministry: Acknowledgement Affirmation Information Encouragement Connecting Equipping Involvement Educating Co-nurturing Bible-based, time-tested, innovative, experiential, adoptable!
