From their gigs in tiny church halls to multimillion-selling albums--"The Dark Side" "of the Moon," "Wish You Were Here," and the rock opera "The Wall"--and elaborate stadium shows, this tome celebrates legendary rock band Pink Floyd. Lavishly illustrated with previously unpublished photographs and rare graphic memorabilia, including posters, advertisements, handbills, and tickets from every era of the band's remarkable history, this survey provides a comprehensive overview of the group, its members, and the times. In addition to a biographical account of the band's collective and individual careers--from their pre-Floyd times in the early 1960s to the present day and their music's evolution from psychedelic and space rock to progressive rock genres--this definitive reference presents a meticulously researched chronological listing of every Pink Floyd and solo concert with set lists, radio and television appearances, and a UK and U.S. discography.

Presents an account of the collective and individual careers of the members of Pink Floyd, dating from before the band's formation to the present day, that includes a comprehensive list of their stage, television, and radio performances.

Go into the heart of Pink Floyd with this song-by-song analysis and learn the explosive story of one of the world's most popular rock bands.

"Fast-paced and thrilling. ECHOES is a heart-pounding and addictive love story." —Mia Siegert, author of Jerkbait They wake on a deserted island. Fiona and Miles, high school enemies now stranded together. No memory of how they got there. No plan to follow, no hope to hold on to. Each step forward reveals the mystery behind the forces that brought them here. And soon, the most chilling discovery: something else is on the island with them. Something that won't let them leave alive. Echoes is a thrilling adventure about confronting the impossible, discovering love in the most unexpected places, and, above all, finding hope in the face of the unknown.

Twenty-eight centuries separate the birth of the Roman republic from the United States of America in the twenty-first century. To many it would seem that advances in technology and centuries of human experience would insulate our current society from the mistakes of the past. The Echoes of Babylon examines the historical and social tendencies within the world's three great republics. Perhaps not immediately recognized by many, the three republics have a shared experience, as the United States was a former British colony, and Great Britain was once subordinate to the Roman Empire. Whereas history is sometimes considered a dull, dry affair or as an amalgamation of names and dates, in The Echoes of Babylon, history is presented in the context of sequential events, highlighting similar attempts in the direction of human affairs, which have led to similar fates within the world's three greatest republics.

SHORTLISTED FOR THE AUTHOR'S CLUB FIRST NOVEL AWARD, THE RSL CHRISTOPHER BLAND PRIZE and THE HWA DEBUT CROWN AWARD 'A new classic' SARA COLLINS, author of THE CONFESSIONS OF FRANNIE LANGTON 'Impassioned. Lyrical and affecting' GUARDIAN _____ Brixton 1981. Sixteen-year-old Michael is already on the wrong side of the law. In in his community, where job opportunities are low and drug-running is high, this is nothing new. But when Michael falls for Ngozi, a vibrant young immigrant from the Nigerian village of Obowi, their startling connection runs far deeper than they realise. Narrated by the spirit of an African woman who lost her life on a slave ship two centuries earlier, her powerful story reveals how Michael and Ngozi's struggle for happiness began many lifetimes ago. Through haunting, lyrical words, one unforgettable message resonates: love, hope and unity will heal us all. _____ 'A searing, rhapsodic novel. Filled with beauty, devastation and the power of ancestral connections that ripple through the ages' IRENOSEN OKOJIE, author of NUDIBRANCH 'A gorgeous book' ALEX WHEATLE, author of BRIXTON ROCK _____ Readers love THE BOOK OF ECHOES: 'A powerful and honest debut which is going to stay with me for a long time' ***** 'You can feel Amaka's passion rising off the page' ***** 'BRILLIANT, thoughtful and masterfully crafted' ***** 'Oh my goodness, the book itself is even more beautiful and haunting than the cover' *****

The Boer War. Two best friends. Divided by war. Banished by his father, Sebastian Brigandshaw arrives at the Cape of Good Hope and upon arrival is welcomed by a Boer hunter, Tinus Oosthuizen. The pair forms an unlikely friendship, spending many days in the vast wilderness, carving out a future from a savage land. But their days of peace are numbered. War is looming. What was so peaceful now becomes volatile and unsettled. Both of them now find themselves fighting on different sides. Would you kill your best friend for queen and country? Read this unforgettable, historical series that begins with the Boer War and how their families were dragged through some of Africa's most aggressive and remarkable days... Ready for the journey? Then buckle up. For fans of Wilbur Smith's Courtney Series, Ken Follett's Kingsbridge novels, Jeffrey Archer's Clifton Chronicles and books from Tony Park, comes an electrifying series with a family you won't want to forget. Thousands of copies sold WORLDWIDE. Discover what all the fuss is about. "Very balanced view on the Boer War. I could feel real emotions." "As my grandkids would say, it got betterer and betterer. Worth all five stars." "One of the most amazing reads I have had for a long time, it takes one back to the day, you can smell the African bush." "What a wonderful book! Full of history and

philosophy. A book that I will read again after a while.” “Superb! All Rimmer’s books are such great reading!” “Excellent African history. Wilbur Smith fans will be pleased.” NEW EDITION - MARCH 2019 Go on, scroll up and get your copy today.

A bloody massacre. An ancient curse. One young German holds the course of history in her hands. Engineering student Amalia Weber is only training in Olympic judo to please her overbearing father. Caught in a storm on her daily run, the screams of a drowning woman draw her to a lake deep within the mystic Teutoburg forest. But when she jumps in to attempt a rescue, she's pulled under herself... and somehow awakens alive two thousand years in the past. Now, enslaved by Roman soldiers-including the legendary Germanic-prince-turned-Roman-officer Arminius-Amalia struggles to survive in a world where her life means nothing. And when her twenty-first-century knowledge is discovered, returning to her own time becomes the least of her worries. Caught between the merciless forces of Rome and the wild Germanic tribes who dare to defy them, can a modern woman forge history as we know it? Echoes of Germania is the first book in the riveting Tales of Ancient Worldsseries. A mix between Vikings, Rome, A Games of Thrones, and Outlander, H.B. Ashman's new novel is a stay-up-all-night nail-biter.

From the New York Times bestselling author of the Falling Kingdoms series comes the first book in a brand-new duology about forbidden magic and dangerous secrets, for readers of Victoria Aveyard and Margaret Rogerson. Josslyn Drake knows only three things about magic: it's rare, illegal, and always deadly. So when she's caught up in a robbery gone wrong at the Queen's Gala and infected by a dangerous piece of magic—one that allows her to step into the memories of an infamously evil warlock—she finds herself living her worst nightmare. Joss needs the magic removed before it corrupts her soul and kills her. But in Ironport, the cost of doing magic is death, and seeking help might mean scheduling her own execution. There's nobody she can trust. Nobody, that is, except wanted criminal Jericho Nox, who offers her a deal: his help extracting the magic in exchange for the magic itself. And though she's not thrilled to be working with a thief, especially one as infuriating (and infuriatingly handsome) as Jericho, Joss is desperate enough to accept. But Jericho is nothing like Joss expects. The closer she grows to Jericho and the more she sees of the world outside her pampered life in the city, the more Joss begins to question the beliefs she's always taken for granted—beliefs about right and wrong, about power and magic, and even about herself. In an empire built on lies, the truth may be her greatest weapon.

A captivating all-action tale of otherworldly magic, death, destruction and a fight for survival by the Sunday Times bestselling author David Gemmell, perfect for fans of Joe Abercrombie, Duncan M. Hamilton and Nicholas Eames. "Gemmell's great reading - the action never lets up. He's several rungs above the good - right into the fabulous!" -- ANNE MCCAFFREY "In my pantheon of literary greats, David Gemmell stands alone . . . he put me on the path I still walk today" -- CONN IGGULDEN "Gemmell has every right to take his place among the SF and fantasy greats." -- SFX "When it comes to heroic fantasy, few do it better than David Gemmell." -- TIME OUT "One of my most favourite books of all time" -- ***** Reader review "Gemmell at his finest" -- *****Reader review "Great fantasy, great story, great author" -- ***** Reader review

***** The Great Bear will descend from the skies, and with his paw, lash at the ocean. He will devour all the works of Man. Then he will sleep for ten thousand years, and the breath of his sleep will be death. The prophecy had come true. The world spun. Tidal waves lashed the planet, and a new ice age dawned. The few survivors of a once great empire struggled to rebuild, to hold their ground against the rising barbarian tide. Then two moons appeared in the skies, unleashing a terrible evil that threatened not only the new empire, but the survival of the world itself.
