" Encountering the Old Testament is packed with data, but is not cluttered. An abundance of visuals, including charts that clearly summarize complex issues, together with a most inviting format whet the appetite for study. Hardly could an inquisitive student ask for better guidance." Elmer Martens, Mennonite Brethren Biblical Seminary

Encountering the Old Testament, 3rd Edition | Baker ...

This was a good overview of the Old Testament. The chapters go book by book through the OT, not only summarizing the contents of the books themselves, but giving historical backgrounds, literary analysis, and some of the more common criticisms for each book (i.e. authorship, time written, potential inaccuracies, etc.).

"I highly recommend this volume to all who read the Old Testament. . . .This is a five star recommendation." --Messenger

Arnold moves through Genesis section by section, exploring its main themes. Although his primary goal is to explain the book's central message, Arnold also sorts through the difficult interpretive issues and does not shy away from controversial matters, such as the nature of creation, the extent of the flood, and the history of Adam and Eve. Arnold discusses the central themes of Genesis: human sinfulness, God's grace, and covenant. Includes maps, charts, and photos. November '98 publication date.

Comprehensive, up-to-date collection of primary source documents (creation accounts, epic literature, etc.) gives insight into the Ancient Near East and the Old Testament.

This clear and readable introduction provides guidance on the history and theology of the book of Isaiah.

Leading scholars provide an overview of current issues in Old Testament studies.

Series originally published as a single volume in 1984, under the title: Doorways to Christian growth. "Discovering God in the Old Testament" was the chapter title for the contents of this volume.

Why do the books of Samuel pack such broad appeal? Taken together as a single narrative, they certainly offer something for everyone: kings and prophets, great battles and greater

Download File PDF Encountering The Old Testament Free Books About Encountering The Old Testament Or Use Online Viewer

heroes, action and romance, loyalty and betrayal, the mundane and the miraculous. In Samuel, we meet Saul, David, Goliath, Jonathan, Bathsheba, the witch of Endor, and other unforgettable characters. And we encounter ourselves. For while the culture and conditions of Israel under its first kings is vastly different from our own, the basic issues of humans in relation to God, the Great King, have not changed. Sin, repentance, forgiveness, adversity, prayer, faith, and the promises of God—these continue to play out in our lives today. Exploring the links between the Bible and our own times, Bill T. Arnold shares perspectives on 1 and 2 Samuel that reveal ageless truths for our twenty-first-century lives. Most Bible commentaries take us on a one-way trip from our world to the world of the Bible. But they leave us there, assuming that we can somehow make the return journey on our own. They focus on the original meaning of the passage but don't discuss its contemporary application. The information they offer is valuable—but the job is only half done! The NIV Application Commentary Series helps bring both halves of the interpretive task together. This unique, award-winning series shows readers how to bring an ancient message into our postmodern context. It explains not only what the Bible meant but also how it speaks powerfully today.
