Back in Bible times, false gods were easy to identify. Baal, Molech, Ashtoreth, Chemosh, Artemis, and others are all present in the pages of Scripture as gods competing for devotion to the God of Israel. In today's day, these names don't really seem to pop up quite as much. But don't be fooled—just because we don't use the same names for

I think “ false gods ” in our world today is thinking there is security in anything else other than our Lord Jesus Christ. Some examples are thinking there is security in money, possessions, insurance policies, stocks, bonds, other people. It ’ s hard to let go of these things, but only when we do, we find that we are truly free in Christ.

## False Gods We Worship | The Martin Luther King, Jr ...

A false god is, in some monotheistic religious denominations, the deities of pagan religions – as well as other competing entities or objects to which particular importance is attributed. Conversely, polytheistic pagans may regard the gods of various monotheistic religions as "false gods" because they do not believe that any real deity possesses the properties ascribed by monotheists to their sole deity.

Do you struggle because of situations or people that weigh you down? How can you get help? This book can help you gain victory over the stressful circumstances in your life. God wants to make you into his victor instead of being a victim. Using easy-to-read language with a generous dose of humor, the author explains and applies the Bible to everyone's daily life. As a result, God can enable you overcome the many false gods that creep into your life from your culture. The study has discussion questions for groups and practical steps you can follow to help you run on your journey with Jesus toward every believer's goal, final perfection after death. Notice the following review by Rev. Jack Stulp, retired pastor and home-missions administrator:

"Having read 'Overcome Modern Idols, ' I appreciate that it's not merely a collection of the author's opinions. It is full of Scripture that is quoted and is expounded. Author Leiter is impressed with our Lord's wisdom and seeks to share it."This book does not take the common approach of naming things that people accept as idols, like money. Reflecting much thinking and meditation, this book gets us to think of ways that people come up with distorted and wrong ideas of what God is like and then worship these distorted concepts, which are false gods. I found it helpful and am pleased to recommend this book to others."The following review is from Judy Dunnagan, a Moody Publishers editor: "We can tell that this message is very near and dear to your heart. Your study is very compelling and is needed for such a time

way god" - The "Law-god" Part Six: The "One-person-gods"  
Part Seven: Prayer to the true God-the key to experiencing  
Jesus' victory Every Christian is the target of these modern  
idols, which are Satan's arrows. We can overcome them with  
the use of the Bible and prayer. How? This Bible study will  
help you defeat their influence in your life and in that of  
your loved ones. Awareness is the first step, and then using  
God's tools to stop their attacks in their tracks is the next  
step. You will find guidance to stop their influences.

Anunnaki: False Gods extends Zecharia Sitchin's translations  
from clay tablets that underlie the Bible. Ten thousand years  
ago, scribes in ancient Sumer (Iraq) wrote on these tablets  
what they said the Anunnaki gods (tall people from the sky)

## Access Free False Gods From The World Of The Federal Witch Series Arcane Corps

dictated. Sitchin asked Dr. Lessin to keep public attention on his legacy by creating an educational program. The Anunnaki are Homo sapiens like us but who live hundreds of thousands of years. They said they rocketed to Iraq 450,000 years ago from a planet called Nibiru to harvest gold to send back (via Mars) to Nibiru to powder into an atmospheric shield. They mined abundant gold in Africa until, 300,000 years ago, their miners mutinied. To replace the mutineers, Anunnaki geneticists created short-lived slaves, called Adamites, adapted from their own genome but modified with a bit of clay, copper and genes from an intelligent hominoid, Homo erectus (Bigfoot's ancestor) already living in Africa. Two hundred thousand years ago, Enki, their Chief Scientist, begat a line of Earthlings called Adapites with two

## Access Free False Gods From The World Of The Federal Witch Series Arcane Corps

Adamite girls. Fifty thousand years ago Enki and an Adamite beauty begat Noah, who carried Enki's longevity genes and ruled the Iraqi city of Sharuppak. Enki saved Noah and many of his subjects from the Deluge of 13,000 years ago. The Anunnaki had Noah's people and other flood survivors proliferate and build cities in the Middle East and Egypt with up to 50,000 inhabitants. The Anunnaki ruled the new civilizations as gods with descendants of Noah's sons as intermediaries. The Anunnaki gave us the best and the worst of planet-wide civilization--kings, historians, taxes, temples, priests, bicameral congresses, record-keeping, law codes, library catalogs, furnaces, kilns, wheeled vehicles, paved roads, medicines, cosmogony, cosmology, festivals, beer, food recipes, art, music, music instruments, music

notes, dance, textiles, and multicolored apparel. Sumerian schools taught mathematics, architecture, theology, writing, grammar, botany, zoology, geography. They displayed but did not pass on a world-wide energy grid, air, submarine and interplanetary transport vehicles and advanced computers. They also gave us hierarchy, misogyny, violence, greed, slavery, debt and war that featured genocide and weapons of mass destruction. In 2024 BCE Anunnaki ruined their eastern Mediterranean cities with nuclear blasts and fallout storms. Most of the Anunnaki returned to Nibiru by 311 BCE. But some stayed. They and their descendants (the power elite) rule us to this day. They and their spawn created and perpetuate exclusive, hostile nations and religions to keep us divided. They addicted us to credit

Institutions to keep us slaving. Their tales of their stay on Earth before they made our ancestors, as well as what our forefathers directly saw, imprinted us with the values of their hierarchic, male-run, master-slave-enemy mentality. We assumed values of extraction, pollution, monetary monopoly and obsession with gold. Fortunately, the Lessins contend, the genetics team that created us also gave us the capacity and preserved the histories Sitchin and others translated so we can overcome the liabilities they left us.

New Age philosophy is really ancient paganism repackaged for modern consumption. David Jeremiah shows how this new spirituality is flooding our culture with teachings and terminology that clearly contradict the Christian Gospel.
