Shift happens. It's time for Plan D. Long gone are the good old days where a sudden market shift was tempered -- even held back -- by restrictive laws, huge capital requirements, complex data, industry secrets, distribution networks and expensive infrastructure. Goliath has lost his edge. Today, "what's next" is conceived by firebrand leaders who topple the once proud giants of established industries. You know, the crazy ones . . . the Disruptors. This book explores two questions about them: 1. What makes them special? (So we can do what they do and upend our competition as well.) 2. How do they

think? (So we know how to manage them while getting the absolute best out of them.) This book is written about -- and for -- Disruptors. It crystallizes the Disruptor's unique superhero powers so you can use them too (for good, not evil). The future belongs to the Disruptors. You need them, and they need you. This book will help you dream, drive and deliver like the crazy ones.

Brand New's revolutionary innovation process is a proven road map you can put to work immediately to create successful new products, services, and business models.

Written by leading innovation practitioners, and the coauthor of the bestseller Customers for Life, the authors of this tightly focused, highly entertaining book have nailed the issue perfectly when it comes to successfully introducing anything new.

Research shows people like new products and services. Indeed they go out of their way to try to find them. Yet companies are truly terrible at providing new products and services that meet these customers' needs.

Why are companies so bad at giving customers what they want? Because they lack a simple proven process that makes sure innovation

Occurs efficiently time after time. No one knows this better than Mike Maddock and his team at Maddock Douglas, the Agency of Innovation,™ which has worked closely with more than a quarter of Fortune 100. To solve the innovation paradox, Maddock explains the process his team has used to help the world's best companies and shows you how to Find needs and opportunity in the marketplace Come up with significant market insights Create compelling communication (using the actual words your customers use) to convince people to try your new creation What has worked for some of the world's most successful

any woman can use to look younger, healthier, and more radiant without harsh products or drastic procedures. When Mathilde Thomas moved from her native France to the United States to expand her skin-care company, Caudalíe, she wanted to find out what American women wanted from their beauty routines. She interviewed thousands of women and was struck by how different the French and American approaches to beauty were. American women are all about the quick fix—the elusive product or procedure that will instantly solve a nagging beauty problem, even if it hurts, is wildly

expensive, or is damaging in the long term. The French, by contrast, approach beauty as an essential and pleasurable part of the day, a lifelong and active investment that makes you look and feel good. Mathilde used these insights to turn Caudalie into one of America's top beauty brands. Drawing on her company's twenty years of scientific skin-care expertise backed by the research of doctors and dermatologists—as well as the beauty secrets she learned growing up on a vineyard in Bordeaux—The French Beauty Solution covers everything from how to use natural ingredients such as oil and honey to
