Fresh off the Boat is, in a word, refreshing. To be honest, I don't always find myself laughing out loud at today's current TV sitcoms. But the mother especially makes this episode; every thing she says and does is gold. The kid has big personality, and I like that this issues with the restaurant weren't solved by the end of the 20 minutes.

A Taiwanese-American rebel restaurateur chronicles his rise to success from his difficult childhood in the American South to his turn as a drug dealer who embraced rap culture and more.

their new home -- Samoan life in the Big Smoke -- has been published at long last.

Dear Peaches, America is PERFECT! I love it here. I wish you could come visit -- we could go shopping on Market Street and you could meet all my new friends. . . . Okay, so Vicenza isn't being totally honest with Peaches, her best friend back in Manila. But what fun is it being the new girl at snooty Grosvernor High? Or rooting through the Salvation Army for unholey cashmere sweaters? Or having culture-shocked, embarrassingly clueless parents? Maybe being Claude

Caligari's ignored geometry partner is sort of fun, but Vicenza would rather be his girlfriend . . . or at least his date to the annual fancy-schmancy Soirée d'Hiver. But Vicenza won't be friendless, fashionless, or "fresh off the boat" for long -- it's only a matter of time before she sees what's right before her eyes and her luck begins to change.

From the author of *Fresh Off the Boat*, now a hit ABC sitcom, comes a hilarious and fiercely original story of culture, family, love, and red-cooked pork Eddie Huang was

finally happy. Sort of. He'd written a bestselling book and was the star of a TV show that took him to far-flung places around the globe. His New York City restaurant was humming, his OKCupid hand was strong, and he'd even hung fresh Ralph Lauren curtains to create the illusion of a bedroom in the tiny apartment he shared with his younger brother Evan, who ran their restaurant business. Then he fell in love—and everything fell apart. The business was creating tension within the family; his life as a media star took him away from his first passion—food; and the woman he loved—an All-American white

girl-made him wonder: How Chinese am I? The only way to find out, he decided, was to reverse his parents' migration and head back to the motherland. On a quest to heal his family, reconnect with his culture, and figure out whether he should marry his American girl, Eddie flew to China with his two brothers and a mission: to set up shop to see if his food stood up to Chinese palates—and to immerse himself in the culture to see if his life made sense in China. Naturally, nothing went according to plan. Double Cup Love takes readers from Williamsburg dive bars to the skies over

Mongolia, from Michelin-starred restaurants in Shanghai to street-side soup peddlers in Chengdu. The book rockets off as a sharply observed, globe-trotting comic adventure that turns into an existential suspense story with high stakes. Eddie takes readers to the crossroads where he has to choose between his past and his future, between who he once was and who he might become. Double Cup Love is about how we search for love and meaning—in family and culture, in romance and marriage—but also how that search, with all its aching and overpowering complexity, can deliver us to our truest selves. Huang's honest recounting shouts and whispers on every page in all-caps dialogues and hilarious side-commentary. Huang pulls simple truths and humor out of his complex adventure to China. Six Words Fresh Off the Boat marries the phenomenon of Larry Smith's successful Six-Word Memoirs with ABC and 20th Century Fox Television's hit comedy Fresh Off the Boat. The book captures hundreds of takes on the immigration experience, from every-day people as well as world-famous celebrities including Aziz Ansari, Chimamanda Ngozi Adichie, Julianne Moore, Mario Batali, George Takei, Neil Gaiman, Amanda Palmer, Billy Collins,

Junot Díaz, and Dr. Sanjay Gupta. This book will have you thinking in sixes and challenging others to share six words about their lives.

In three pieces originally delivered as special lectures, draws on the biography of the author's father as well as the evolution of her own work to contrast Western and Eastern ideas of self-narration and interdependency.

"[This book] gathers essays from twenty-seven leading figures in book publishing about

their work. Representing both large houses and small, and encompassing trade, textbook, academic, and children's publishing, the contributors make the case for why editing remains a vital function to writers--and readers--everywhere. Ironically for an industry built on words, there has been a scarcity of written guidance on how to actually approach the work of editing. This book will serve as a compendium of professional advice and will be a resource both for those entering the profession (or already in it) and for those outside publishing who seek an understanding of it.

It sheds light on how editors acquire books, what constitutes a strong author-editor relationship, and the editor's vital role at each stage of the publishing process--a role that extends far beyond marking up the author's text. This collection treats editing as both art and craft, and also as a career. It explores how editors balance passion against the economic realities of publishing."--

Do you see motherhood as a mission and divine calling? Today's Christian moms come from a full range of personal and professional

contexts, whether they are homemakers, full-time workers in the marketplace, or somewhere in between. Yet many Christian mothers are living missional lives, using their gifts and abilities to further God's kingdom by engaging the world around them. They artfully, passionately, and sometimes messily juggle multiple callings and demonstrate in their modern-day contexts how they are emulating the woman of noble character in Proverbs 31. The Missional Mom will affirm Christian mothers who desire to not only to build their homes in a Christ-like way, but also engage the world with their skills,

abilities, and interests. It won't minimize the importance of a woman's role in her home, but it will encourage her to not ignore the stirrings God has planted within her to extend her influence.
