Goblins (The X-Files, Book 1) Amazon.co.uk: Grant ...

For the first X-Files novel that was not based on an existing plot-line, Goblins was unfortunately pretty weak. The plot played through like a mediocre Monster of the Week episode, as Mulder and Scully are sent to investigate a couple of murders perpetrated by an invisible assassin. The result is, unfortunately, incredibly messy.

The X-Files: Goblins (The X-Files #1) by Charles L. Grant

A series of novels published during The X-Files ' original television run, as well as the novelizations of two feature films. The X-Files: Goblins (The X--

Published in 1994, Goblins was the very first novel based on The X-Files television series, which at that time was relatively new, original, and growing in popularity. The action, in this case, takes place not long after the X-Files had been shut down and then reopened by the FBI (which basically puts it somewhere in the second season time period).

Goblins (The X-Files, Bk. 1): Grant, Charles ...

The idea behind Goblins is something I could easily have seen in an episode of the X Files in the early years of its run, which was when this book was written. Now for the bad news. The writing in some parts is pretty rough. For some reason Charles Grant felt the need to refer to Scully as Dana every so often and it seemed awkward and not quite right.

Amazon.com: Customer reviews: Goblins (The X-Files, Bk. 1)

Typical X-Files book that is true to the series. I enjoyed it and will try some of Grant's other works. Decent X-Files books are hard to come by unless you want a graphic novel (comic book) and I appreciated this one.

Amazon.com: Customer reviews: X-files: Goblins (The X-files)

It pretends to be 'X Files' but is ruined (Ruins my fav X file book) by vulgar swearing, almost 18 certificate. If that's your thing, like murder, crime books, it would be more readable. Sometimes the X - files is a bit sombre anyway. Someone with a thicker skin would see past this and maybe enjoy the paranormal part later on. That's their opinion.

The cases the Bureau wants handled quietly, but quickly, before the public finds out what's really out there. And panics. The cases filled under "X."

The truth can not be contained! But these two-book collections make it easier than ever to dive headfirst into the intrigue and mystery of The X-Files! In GOBLINS by Charles Grant, the inexplicable is happening a disembodied, knife-wielding hand has caused a string of violent crimes and then vanished into thin air. With no leads and no clues, Agents Mulder and Scully are dispatched from the shadows to uncover the truth wherever it leads. And in GROUND ZERO by Kevin J. Anderson, Agents Mulder and Scully face bureaucratic dead ends in search for what killed renowned nuclear weapons research scientist Dr. Gregory. As the body count rises one things becomes clear this twisted puzzle has fatal consequences for the whole world. "

Learning English idioms can be difficult for ESL speakers. This book will help simplify some of the common words and expressions native English speakers use. Use it as a reference, or read it as a learning exercise, and you will improve your English in no time at all!

Did you know that 'flavour of the month' originated in a marketing campaign in American ice-cream parlours in the 1940s, when a particular flavour would be specially promoted for a month at a time? And did you know that 'off the cuff' refers to the rather messy practice of writing impromptu notes on one's shirt cuff before speaking in public? These and many more idioms are explained and put into context in this second edition of the Oxford Dictionary of Idioms. This vastly entertaining dictionary takes a fresh look at the idiomatic phrases and sayings that make English such a rich and intriguing language. A major new edition, it contains entries for over 5000 idioms, including 350 new entries and over 500 new quotations. The text has been updated to include many new idioms using the findings of the Oxford English Reading Programme, the biggest language research programme in the world. The entries are supported by a wealth of illustrative quotations from a wide range of sources and periods. For example, 'Rowling has not been asleep at the wheel in the three years since the last Potter novel, and I am pleased to report that she has not confused sheer length with inspiration' - Guardian, 2003. 'I made the speech of a lifetime. I had them tearing up the seats and rolling in the aisles.' - P.G. Woodhouse, 1940. Many entries include boxed features which give more detailed background on the idiom in question. For example, did you know that 'taken aback' was adopted from nautical terminology, and described a ship unable to move forward because of a strong headwind pressing its sails back against the mast? The text has been entirely redesigned so that it is both elegant and easy to use. Anyone interested in the quirky side of the English language will have hours of fun browsing through this fascinating and informative volume.

Teenagers are being slaughtered by the Howler, a serial killer who stops in small towns just long enough to kill, just long enough to tear apart a family and a community. When he strikes in Ashford, the town reacts-setting limits on teens' activities, monitoring who goes where-and parents become paranoid. Seventeen-year-old Don Boyd doesn't need the grief. He's already under siege-he's got family trouble, girl trouble, trouble with his high school classes and trouble with the jocks who rule the school. Surely the Howler will kill someone else, somewhere else, and then Don can go back to trying to escape notice. But the Howler likes Ashford. And one frosty autumn night, the Howler chooses Don as his next victim. The attack is swift-but it doesn't go as planned. Suddenly the killer and the boy are surrounded by an unnatural mist, by green fire, by the sound of iron striking iron. And then the real horror begins.

Crops wither in the fields. Fish float belly-up in rivers, lakes, and oceans. Orchards are barren. Cattle and sheep are dying on their feet. The world is slowly starving to death. Deep in the American heartland, a terrible family reunion is taking place. The gathering relatives leave trails of death in their wake. Missing are little Joey and his parents. Joey and his mom are on their way... Joey's father, John, is in New Orleans. Suddenly he can tell when someone is about to become violent-and he can stop them. When he rejoins his family, all hell will break loose.
