Grace Coddington is Anna Wintour 's right hand woman. She has managed to garner great press while Her Anna-ness is portrayed as the Editor from Hell. In this memoir it is clear why the two women can and have worked so well together for so many years. They have a symbiosis that has helped elevate the public's interest in all things FASHION.

Beautiful. Willful. Charming. Blunt. Grace Coddington's extraordinary talent and fierce dedication to her work as creative director of Vogue have made her an international icon. Known through much of her career only to those behind the scenes, she might have remained fashion's best-kept secret were it not

## File Type PDF Grace A Memoir

for The September Issue, the acclaimed 2009 documentary that turned publicity-averse Grace into a sudden, reluctant celebrity. Grace's palpable engagement with her work brought a rare insight into the passion that produces many of the magazine's most memorable shoots. With the witty, forthright voice that has endeared her to her colleagues and peers for more than forty years, Grace now creatively directs the reader through the storied narrative of her life so far. Evoking the time when models had to tote their own bags and props to shoots, Grace describes her early career as a model, working with such world-class photographers as David Bailey and Norman Parkinson, before she stepped behind the camera to become a fashion editor at British Vogue in the late 1960s. Here she began creating the fantasy "travelogues" that would become her trademark. In 1988 she joined American Vogue, where her breathtakingly romantic and imaginative fashion features, a sampling of which appear in this book, have become instant classics. Delightfully underscored by Grace's pen-and-ink illustrations, Grace will introduce readers to the colorful designers, hairstylists, makeup artists, photographers, models, and celebrities with whom Grace has created her signature images. Grace reveals her private world with equal candor—the car accident that almost derailed her modeling career, her two marriages, the untimely death of her sister, Rosemary, her friendship with Harper's Bazaar editor-in-chief Liz Tilberis, and her thirty-year romance with Didier Malige. Finally, Grace describes her abiding relationship with Anna Wintour, and the evolving mastery by which she has come to define the height of fashion. **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY FINANCIAL TIMES** "If Wintour is the Pope . . . Coddington is Michelangelo, trying to paint a fresh version of the Sistine Chapel twelve times a year."—Time

Vogue magazine. Then came The September Issue, the behind-the-scenes documentary that turned the spotlight on a woman with a no-nonsense attitude and an unerring visual instinct. Overnight, the flame-haired Grace became a heroine for fashion insiders and the general public alike. Witty and forthright, and illustrated throughout with vintage photographs and exclusive line-drawings, Grace: A Memoir shares the excitement and vision that go into producing so many unforgettable fashion images. Here are the designers, models, photographers, hairstylists, make-up artists and celebrities with whom Grace has created her 'stories in pictures' – whether it be Jerry Hall conquering the USSR or Tom Ford falling down a rabbit hole in Annie Leibovitz's version of Alice in Wonderland. Grace's own life has been as dreamlike as one of her madcap fashion spreads. Brought up in windswept wartime Anglesey, she arrived in London, aged eighteen, and quickly became a face of the Sixties. The muse behind Vidal Sassoon's Five Point Cut, she posed for Bailey, Donovan, Duffy and Norman Parkinson in Swinging London and jumped into a pool in Saint-Tropez for Helmut Newton. Surviving a serious car-crash, she later became a fashion editor at British Vogue and during the Seventies and the Eighties started to create the fantasy travelogues that would become her trademark. Friendships bloomed – with Bruce Weber and Calvin Klein, whose offer of a job took Grace to New York. While two early marriages to restaurateur Michael Chow and photographer Willie Christie were brief, her romance with the hairstylist Didier Malige has endured. And her professional partnership with Anna Wintour – with whom she has collaborated for over twenty years – continues to have an astonishing influence on modern style.

"Memoir from model and actress Grace Jones"--Provided by publisher.

"Touching and courageous...All of it--the man, the life, the book--is rare and beautiful."

COSMOPOLITAN DAYS OF GRACE is an inspiring memoir of a remarkable man who was the true embodiment of courage, elegance, and the spirit to fight: Arthur Ashe--tennis champion, social activist,

## File Type PDF Grace A Memoir

and person with AIDS. Frank, revealing, touching--DAYS OF GRACE is the story of a man felled to soon. It remains as his legacy to us all.... AN ALTERNATE SELECTION OF THE BOOK-OF-THE-MONTH CLUB

“As a writer, Wearing is all luscious texture and running narrative.” — The Globe and Mail Moments of Glad Grace is a moving and witty memoir of aging, familial love, and the hunt for roots and belonging. The story begins as a trip from Canada to Ireland in search of genealogical data and documents. Being 80 and in the early stages of Parkinson’s Disease, Joe invites his daughter Alison to come along as his research assistant, which might have worked very well had she any interest — any at all — in genealogy. Very quickly, the father-daughter pilgrimage becomes more comical than fruitful, more of a bittersweet adventure than a studious mission. And rather than rigorous genealogy, their explorations move into the realm of family and forgiveness, the primal search for identity and belonging, and questions about responsibility to our ancestors and the extent to which we are shaped by the people who came before us. Though continually bursting with humor, Moments of Glad Grace ultimately becomes a song of appreciation for the precious and limited time we have with our parents, the small moments we share, and the gifts of transcendence we might find there.

The late tennis champion, social activist, and AIDS victim tells his remarkable, courageous story, from his career as the first great African-American tennis player to his battle against AIDS

It has been over twenty years since the publication of *The Ragamuffin Gospel*, a book many claim as the shattering of God’s grace into their lives. Since that time, Brennan Manning has been dazzlingly faithful

## File Type PDF Grace A Memoir

in preaching and writing variations on that singular theme – “Yes, Abba is very fond of you!” But today the crowds are gone and the lights are dim, the patches on his knees have faded. If he ever was a ragamuffin, truly it is now. In this his final book, Brennan roves back his past, honoring the lives of the people closest to him, family and friends who’ve known the saint and the sinner, the boy and the man. Far from some chronological timeline, these memories are witness to the truth of life by one who has lived it – All Is Grace.

Winner of The Restless Books Prize for New Immigrant Writing “Grace Talusan writes eloquently about the most unsayable things: the deep gravitational pull of family, the complexity of navigating identity as an immigrant, and the ways we move forward even as we carry our traumas with us. Equal parts compassion and confession, *The Body Papers* is a stunning work by a powerful new writer who—like the best memoirists—transcends the personal to speak on a universal level.” —Celeste Ng, author of *Everything I Never Told You* and *Little Fires Everywhere* Born in the Philippines, young Grace Talusan moves with her family to a New England suburb in the 1970s. At school, she confronts racism as one of the few kids with a brown face. At home, the confusion is worse: her grandfather’s nightly visits to her room leave her hurt and terrified, and she learns to build a protective wall of silence that maps onto the larger silence practiced by her Catholic Filipino family. Talusan learns as a teenager that her family’s legal status in the country has always hung by a thread—for a time, they were “illegal.” Family, she’s told, must be put first. The abuse and trauma Talusan suffers as a child affects all her relationships, her mental health, and her relationship with her own body. Later, she learns that her family history is threaded with violence and abuse. And she discovers another devastating family thread: cancer. In her thirties, Talusan must decide whether to undergo preventive surgeries to remove her

## File Type PDF Grace A Memoir

breasts and ovaries. Despite all this, she finds love, and success as a teacher. On a fellowship, Talusan and her husband return to the Philippines, where she revisits her family's ancestral home and tries to reclaim a lost piece of herself. Not every family legacy is destructive. From her parents, Talusan has learned to tell stories in order to continue. The generosity of spirit and literary acuity of this debut memoir are a testament to her determination and resilience. In excavating such abuse and trauma, and supplementing her story with government documents, medical records, and family photos, Talusan gives voice to unspeakable experience, and shines a light of hope into the darkness.

Felicia Pearson, who starred of the acclaimed television series *The Wire*, reveals her incredible, hard-knock life story, one that dramatically parallels her television character. While Felicia is a brilliant actor who played a truly chilling role, what's most remarkable about "Snoop" is what she has overcome in her life. Snoop was born a three-pound cross-eyed crack baby in East Baltimore. Those streets are among the toughest in the world, but Snoop was tougher. The runt of the ghetto showed an early aptitude for drug slinging and violence and thrived as a baby gangsta until she landed in Jessup state penitentiary after killing a woman in self-defense. There she rebelled violently against the system, and it was only through the cosmic intervention of her mentor, Uncle Loney, that she turned her life around. Eventually, Snoop was discovered in a nightclub by one of *The Wire's* cast members and quickly recruited to be one of television's most frightening and intriguing villains. While the story of coming up from the hood has been told by Antwone Fisher and Chris Gardner, among others, Snoop's tale goes far deeper into *The Life* than any previous books. And like Mary Karr's story, Snoop's is a woman's story from a fresh point of view. She defied traditional conventions of gender and sexual preference on the hardest streets in America and in front of millions of viewers on TV.
