See the World from a Harley-Davidson Motorcycle. Imagine feeling like youre riding the wind as you feel the freedom of riding a motorcycle. That feeling is exactly why Harley-Davidson manufactures millions of their famous two-wheelers every year, and brand fans still enjoy purchasing pre-owned and vintage bikes along with new models too. There are plenty of reasons why Harley is a beloved ...

A handsome, informative overview of Harley Davidson's 100 plus years of style and innovation.

"Classic Motorcycles: The Art of Speed collects over two dozen European and Asian brands of classic and contemporary models, explaining how and why these particular bikes have endured"--

A highly-illustrated account of the history, design and culture of the motorbike, Motorcycle is essential reading for the Harley-Davidson roadhog, bike collector, or anyone who ' s felt the power of the unmistakable king of the road.

A lavishly illustrated and definitive look at the design evolution of the racing motorcycle. The dynamic between competition and design has always fueled the evolution of racing motorcycles and inspired astonishing feats of design and engineering. This book traces the development of the sport bike, from the earliest French motorcycles to the dominance of British machinery in the 1930s, the exotic Italian motorcycles of the 1950s and 1960s, the influence of American racing in the 1970s and 1980s, and today ' s Japanese superbikes. More than fifty classic motorcycles—from Harley-Davidsons to Peugeots, Velocettes, Moto Guzzis, BMWs, Kawasakis, and Ducatis—are presented chronologically illustrated with stunning studio photographs that present the machines as works of art and wonders of design in themselves, accompanied by rare and beautiful archival images that

place the subjects in the contexts of classic races, rallies, and motorcycle shows, and accompanied by essays revealing the legends behind the machines. Some of the championship motorcycles featured include the 1902 Manon, the 1922 Harley Davidson 8-valve, the 1935 Terrot 500, the 1948 AJS Porcupine, the 1954 Moto Guzzi V8, the 1965 Honda GP 250, The 1976 Suzuki RK67, the 1986 Cagiva GP, and the 1990 Ducati Supermono.

American Motorcyclist magazine, the official journal of the American Motorcyclist Association, tells the stories of the people who make motorcycling the sport that it is. It's available monthly to AMA members. Become a part of the largest, most diverse and most enthusiastic group of riders in the country by visiting our website or calling 800-AMA-JOIN.

Presents sixty four pictures from the popular Up N Smoke Engine Project. Also tells the story of the project and the years it took to bring it from an inspired idea to a tangible reality.

American Motorcyclist magazine, the official journal of the American Motorcyclist Association, tells the stories of the people who make motorcycling the sport that it is. It's available monthly to AMA members. Become a part of the largest, most diverse and most enthusiastic group of riders in the country by visiting our website or calling 800-AMA-JOIN.

It's no wonder descriptions of riding often resemble the words of Asian mystics and Jedi knights: The ride causes your senses to open completely. You experience only the present, the now. Readers who prefer revving a Harley to meditating in a Zen garden know that biking is just as contemplative as chanting in the lotus position. Here, philosopher-bikers explore this seeming dichotomy, expounding on intriguing questions such as: Why are the motorcycles the real stars of Easy Rider? What would Marx and Foucault say about Harley riders' tight leather garb? What's it like to live a dual life as a philosophy professor who wrenches his own 1965 Electra Glide? Would Jesus hang out in a biker bar or a coffeehouse? And more importantly, would He ride a Harley or a Honda? These witty, provocative essays give readers and riders a new appreciation of what it means to become one with the road.
