All I've ever wanted was a normal life, but two days before I'm supposed to leave for college, Mom wakes me up at the butt-crack of dawn so we can hit the road early. She acts like we can't escape this city fast enough, but won't explain. I know we have family secrets. She's been guarding them from me all my life, supposedly with good reason. But after a bizarre attack by creatures that can't possibly be real, I think it's time for me to know the truth, with or without her help. I've barely started my covert investigation, though, when I meet Tristan Knight. He's gorgeous, smart, and talented, and he seems to enjoy hanging out with me. I

suddenly forget all about our enigmatic family and retreat behind my façade of normalcy. At least, until one fateful night when I discover he's not normal either. The secrets begin to unravel. Supposedly, we're fated mates, and our union brings hope to my family's secret society, a/k/a the Angels' army on earth. Our love could save the world. Or end it. Because the Angels aren't the only ones who want us on their side. The Demons will stop at nothing to claim the ultimate power couple. After all, we're a match made in Heaven-and in Hell.

Jenna and Ryder are far from friends—until a storm stirs up their passion in this contemporary southern romance from New York Times bestselling author Kristi Cook. In Magnolia Branch, Mississippi, The Cafferty and Marsden families are practically royalty. Neighbors since the Civil War, the families have shared vacations, holidays, backyard barbecues, and the overwhelming desire to unite their two clans by marriage. So when the families finally have a baby boy and girl at the same time, the perfect opportunity seems to have arrived. Except Jemma Cafferty and Ryder Marsden have no intention of giving in to their parents' wishes. They're only seventeen—oh, and also? They hate each other. Jemma can't stand Ryder's nauseating golden-boy persona, and Ryder would prefer it if stubborn-headed Jemma didn't exist. And their communication is not exactly effective: even a casual hello turns into a yelling match. But when a violent Mississippi storm ravages through Magnolia

Branch, it unearths feelings Jemma and Ryder didn't know they had. And the line between love and hate just might be thin enough to cross...

When Alexis Ames is attacked by creatures that can't be real, she decides it's time she learns who she really is, with or without the help of her mother, who guards their family's secrets closely. After meeting the inhumanly attractive, multi-talented Tristan Knight, however, Alexis retreats behind her facade of normalcy .. until she discovers he's not exactly normal either. Then their secrets begin to unravel. Their union brings hope and promise to her family's secret society, the Angels' army, and to the future of mankind. But it also incites a dangerous pursuit by the enemy - Satan's minions and Tristan's creators. After all, Alexis and Tristan are a match made in Heaven and in Hell.

"A father who reveals his truth. Twins who take different paths--one light, one dark. Angels who have plans for them both and Demons who do as well. So the Earthly battle for souls ignites ... A tale that is over 2,000 years old, this is the story of the Amadis beginnings."--Page 4 of cover.

Never make a deal with a fae, they say. But sometimes there's no choice, consequences be damned. As daughters of the Amadis royal family, my twin Brielle and I should have been helping our people rebuild civilization after the War of Armageddon. Instead, our mother does the unthinkable, possibly sparking a new war, and we're whisked away to another realm to hide us from our enemies. When we return home, we discover our parents are missing, our people have scattered, and every faction hunts the Knight twins. Some are obsessed with claiming our formidable power for themselves. Others simply want us dead. Still, I can't believe we're home

for less than a day when I end up as Winter Court's prisoner in Faery. And it only gets worse from there. To protect my sister, I've made a deal with a fae that shatters any hopes for my own future. A dark prince ignites something in me that feels all wrong and oh, so right. And then there's the enchanting princess I ache for . . . yet can never have. Foes become allies, friends become traitors, and one truth emerges with clarity: war is imminent. My only hope to protect everyone I love is to harness the dark power within me—a force that can save worlds or annihilate us all. If I fail to control it, someone else will. But to master it, I must face my most daunting opponent yet—myself.
