A classic holiday meet cute, except one of them is naked...for art! And therefore off-limits. Navy SEAL Ben Simmons' return from an overseas tour hasn't gone exactly to plan. He surprises even himself by agreeing to be a model in a life-drawing art class, because the alternative is a lonely, boring holiday break. For high school teacher Chelsea Doyle, who is spending Christmas alone for the first time in her life, the art class she's signed up for should be a highlight. She isn't prepared for the off-limits model to be drop-dead gorgeous, or to discover the next day that he's her brand-new next door neighbor. Too bad she's signed a waiver to treat him with nothing but professional distance. No kissing, flirting, or anything else his sexy smile suggests.
