Exam board: WJEC Eduqas Level: GCSE Subject: Design & Technology First teaching: September 2017 First exams: Summer 2019 Reinforce classroom learning and boost students' understanding of all materials with this textbook written for the WJEC Eduqas GCSE (9-1) Design & Technology specification. Written by leading D&T experts, this textbook will build your students' knowledge of the core principles, help to develop their designing and making skills and provide them with the opportunity to make sure they are ready to tackle both parts of the assessment. - Helps students clearly understand the core principles of all materials and general concepts of designing and making, as well as build their knowledge, understanding and skills for one material or system in more depth - Hones students' mathematical and scientific ability so they don't miss out on the easy marks - Features practice questions in the style of the written exam to make sure students are confident to tackle the written element of the assessment - Inspires and motivates students with stretch and challenge: activities designed to challenge the more able learners and to ensure progression to A-level

University Grants Commission National Eligibility Test (UGC NET) is a national level test which is held twice in a year by Central Board of Secondary Education (CBSE) on behalf of UGC. This test is for Junior Research fellowship (JRF) and Assistant Professor or for both in Indian Colleges & Universities. UGC NET Examination consists of 2 papers: Paper -1 is compulsory for all students and Paper -2 is related to candidates' Post Graduation Subject. NTA UGC NET/JRF/SET - ECONOMICS paper 2 book is designed according to the latest pattern and syllabus of the UGC NET applicable from June 2019 Examination. It covers all the aspects and concepts of Economics in detail that are mention in the book, completely covers whole syllabus in chapter wise manner which are divided into 10 units with more than 4000 multiple choice questions for

through practice, also includes previous years' questions, 3 model papers as per the examination pattern and 3 Solved Papers: Solved Paper 2019 (June), Solved Paper 2018 (December) and Solved Paper 2018 (July). All these features will make it a ladder of success in the preparation and will open great future possibilities for the aspirants. S TABLE OF CONTENTS Solved Paper 2019 (June), Solved Paper 2018 (December), Solved Paper 2018 (July), Unit I: Micro Economics, Unit II: Macro Economics, Unit III: Statistics and Econometrics, Unit IV: Mathematical Economics, Unit V: International Economics, Unit VI: Public Economics, Unit VII: Money and Banking, Unit VIII: Growth and Development Economics, Unit IX: Environmental Economics and Demography, Unit X: Indian Economy, Model Papers (1-3).

Motivation makes all the difference. And what's more motivating than the expectation of success? The instructions are clear and to the point, so students can quickly get down to writing practice in these 64-page worktexts. Helpful prompts pack the worktext lesson pages including illustrations, examples, and sample responses. Sample Content: book and movie reviews, travelogue, a character sketch, fashions.

Endorsed by WJEC Ensure that every student develops the reading, writing and oracy skills they need to fulfil their potential with this confidence-boosting, skills-focused Student's Book that contains a rich bank of stimulus texts and progressive activities designed specifically for the new WJEC specification in Wales. - Guides you and your students through the 2015 English language requirements, mapping the core content thematically to support teaching and learning - Enables students of all ability levels to build and boost their English language skills by working through a variety of developmental activities supported by extension tasks to stretch high achievers - Includes a range of engaging literary and non-fiction texts that aid comprehension, encourage comparison and provide effective models for students' own writing for different purposes and genres - Prepares students for examination by providing numerous opportunities to practise the new question types and sample student answers that show clearly how they could be improved - Offers trusted, question-focused advice from an author team with extensive teaching and examining experience

How to Recruit and Retain Higher Education Students is an invaluable resource for academic staff, administrators and policy makers involved in student recruitment and improving student retention. It offers practical advice on how universities can influence the expectations of prospective students, allowing them to make sensible decisions about careers, courses and institutions. Many surveys of students who drop out of university show that most do so out of disappointment. Failing to understand what higher education was about quickly enough, they become confused and frustrated. Dropping out seems the best solution. This book describes a series of practices proven to encourage students to stay on, discussing the background research on student attrition. By preparing students better for their higher education experience, the practices in this book are effective not only in recruiting students but also in matching them to the right institutions and programmes. The practices described range from those reaching out in a broad way to communities of potential students, to university support for pre-entry examinations, to enhanced communication between institutions and applicants. All are described in sufficient detail to allow judgments to be made about how to use and adapt them to suit local needs. How to Recruit and Retain Higher Education Students provides a sound theoretical foundation for research into student retention and provides the necessary underpinning for those academic staff embarking on courses and assists in preparing them for their roles in both teaching and student support.

Exam Board: WJEC Level: GCSE Subject: Food & Nutrition First Teaching: September 2016 First Exam: June 2018 Engage your students in all aspects of food and nutrition, improve their practical food preparation skills and prepare them for assessment with this book written specifically for the new WJEC Food and Nutrition GCSE for Wales. This book is endorsed by WJEC. - Ensures your students understand the subject content with accessible explanations of all concepts, including simple definitions of key words - Develops cooking and food preparation skills with engaging and cost-effective practical activities throughout - Differentiates with stretch and challenge activities to ensure progression and to challenge more able learners - Includes extensive guidance on the Food Preparation and Nutrition in Action non-examination assessment tasks - Prepares students for the written exam with exam preparation advice and practice questions with worked answers, mark schemes and commentary
