Objective, comprehensive, and up-to-date, the eleventh edition of best-selling COMMUNITY-BASED CORRECTIONS provides an excellent introduction to the theory, procedures, evidence-based practices, and personnel involved in community-based corrections. Students learn about the supervision techniques and treatment programs that constitute alternatives to incarceration, and which are designed to meet the level of risk and needs of each individual. These include probation, parole, electronic monitoring, house arrest, residential facilities, restitution, fines, and other options. Coverage of theories related to community correctional goals includes discussion of specific deterrence; rehabilitation through risk, needs, and responsivity; and restorative justice. Input from professionals in the field gives students invaluable insight into real-world practice. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
