UMTS as a technology allows for exciting new applications of some of the best ideas of services in the fixed telecoms, cellular/mobile telecoms, and internet environments, with many revolutionary new possibilities which simply do not exist in the current media and communications vehicles.The current worldwide interest in UMTS/3G is driven partly by the imminent roll-out of the new infrastructure during 2002/3. The general consensus in the telecoms industry is that that services will be driving this new UMTS/3G industry, and with no historical reference points, a large worldwide demand exists for this type of book. 'm-Profits: Making Money from 3G Services' will discuss 3G services from the view of what is needed for the service to provide value to the user, which technical features of the 3G network will be used, what is the value proposition for the user, how will money be made out of delivering the service, and discussions on how revenue sharing propositions might work to benefit content providers and network operators. * Addresses subject from the viewpoints of network operator, virtual operator, service provider, content provider, and end-user * Explains how will money be made out of delivering 3G services * Covers the key issues of 'revenue sharing' and competition * Includes 12 service vignettes Essential reading for mobile operators dealing with marketing, product development, 3G people, content providers, business Development, mobile Services people, consultants, bankers and media professionals.

Just fifteen years ago, 'pet sitters' meant the kid down the street who helped feed pets when the neighbors traveled. Today, this fledgling field is fast becoming an established profession. Combining the appeal of working with animals, a viable customer base, and truly low start-up costs, it is for many people the ideal home-based business. And yet its 'fun' aspects are often overshadowed by the daunting tasks of registering the business, purchasing insurance, and knowing what first steps to take and how to continue from there. With a simple, step-by-step format, How to Start a Home-Based Pet Sitting Business guides aspiring pet sitters from the dreaming stage to the doing stage more clearly and comprehensively than any such book to date.

The Zuchon Dog Complete Owner's Manual has the answers you need when researching this alert companion lap dog that loves to play.
