Three books of practice tests are available for the updated KET exam. Each contains four sets of exam papers from Cambridge ESOL.

Exam Essentials Practice Tests 1 and 2: IELTS is our major British English exam preparation series combining exam preparation, practice, and tips. This effective combination of testing and teaching has proved a popular formula with teachers and students. All of the tests are written by experts in the field, which means that students experience authentic exam-like material that is at a level at least as high as the actual exams. A DVD-ROM containing video of a complete model speaking interview with useful tips from examiners and accompanying worksheets allows students and teachers to see exactly what the speaking test entails.

Test developers need to provide a clear explication of the language ability constructs that underpin the tests they offer in the public domain; such an explication is essential for supporting claims about the validity --- or usefulness --- of tests and test scores. This edited volume develops a theoretical framework for validating tests of second language speaking ability. The framework is then applied through an examination of the tasks in Cambridge ESOL speaking tests from a number of different validity perspectives that reflect the socio-cognitive nature of any assessment event. The chapter authors show how an understanding and analysis of the framework and its components can assist test developers to operationalise their tests more effectively, especially in relation to the key criteria that differentiate one proficiency level from another. The volume is a rich source of information on all aspects of examining speaking ability. As such, it will be of considerable interest to examination boards who wish to validate their own speaking tests in a systematic and coherent manner, as well as to academic researchers and graduate students in the field of language assessment more generally. This is a companion volume to the previously published titles *Examining Writing* and *Examining Reading*.

This short course includes 40-50 hours of essential exam practice, tips and strategies to prepare students for the Cambridge ESOL KET for Schools examination. KET for Schools Direct prepares students for the Cambridge ESOL KET for Schools examination. The Workbook with answers provides 12 units of additional language practice and includes a complete practice test.

This volume examines the nature of second language listening proficiency and how it can be assessed. The book highlights the need for test developers to provide a clear explication of the ability constructs which underpin the tests they offer in the public domain. This is increasingly necessary if claims about the validity of test score interpretation and use are to be supported both logically and with empirical evidence. It operationalises a comprehensive test validation framework which adopts a socio-cognitive perspective. The framework embraces six core components, examining and then analysing Cambridge ESOL listening tasks from the following perspectives: Test Taker; Cognitive Validity; Context Validity; Scoring Validity; Criterion-related Validity; and Consequential Validity.

ECPE Michigan Proficiency Listening and Speaking Test Book: Study Guide with mp3s and Practice Exam Questions contains 230 ECPE listening practice test questions. The recordings for this book are included for free. The instructions for accessing the mp3s are provided on page 4 of the book. This book is designed to build your listening skills for the Examination for the Certificate of Proficiency in English. The units are placed into order of difficulty, with the less difficult questions first and the advanced questions at the end of the listening section of the book. The listening practice questions are in the same format as those on the exam, so
