David Weber himself is on board, first telling how young Honor Harrington and her treecat Nimitz faced the impossible task of rescuing the victims of an avalanche in a sub-zero blizzard, then revealing a chapter in the history of the telepathic treecats when a young human who bonded with a treecat was a Very Important Person. Specifically, she was a Manticoran crown princess and the heir to the throne of the empire.... Roland Green offers a hard-hitting account of what happened when Manticore and the People's Republic of Haven went eyeball-to-eyeball over a strategically vital planet.... Linda Evans looks at life among the treecats, before Honor.. .. Jane Lindskold tells how Honor's monarch, Elizabeth III, had to learn the hard way what monarchy is all about.... sometimes hard to know who the enemy really is. Despite political foes, professional jealousies, and the scandal which drove her into exile, she's been offered a chance to reclaim her career as an officer of the Royal Manticoran Navy. But there's a catch. She must assume command of a "squadron" of jury-rigged armed merchantmen with crew drawn from the dregs of her service and somehow stop the pirates who have taken advantage of the Havenite War to plunder the Star Kingdom's commerce. That would be hard enough, but some of the "pirates" aren't exactly what they seem . . . and neither are some of her "friends," For Honor has been carefully chosen for her mission^¾by two implacable and powerful enemies. The way they see it, either she stops the raiders or the raiders kill her . . . and either way, they win. At

The war between the People's Republic of Haven and the Star Kingdom is finally won and peace established, but grave danger looms—for there is a plan well on its way to completion designed to enslave the entire human species. Behind that plan lies the shadowy organization known as the Mesan Alignment. Task number one for Honor is to defend against another devastating Mesan strike—a strike that may well spell the doom of the Star Kingdom in one fell blow. It is time to shut down and secure the wormhole network that is the source of the Star Kingdom's wealth and power—but also its greatest vulnerability. Yet this is an act that the

was crippled, and had to be destroyed to prevent superior Manticoran technology from falling into Havenite hands, and she and her surviving crew were taken prisoner. Much to her surprise, she was repatriated to Manticore, carrying a request for a summit conference between the leaders of the two sides which might end the war. But a condition of her return was that she gave her parole not to fight against the forces of the Republic of Haven until she had been officially exchanged for a Havenite prisoner of war, so she was given a command far away from the war's battle lines. What she didn't realize was that she would find herself on a collision course, not with a hostile government, but with the interstellar syndicate of criminals known as Manpower. And Manpower had its own plans for eliminating Manticore as a
