Modern Auditing has become established as one of the leading textbooks for students taking university and professional courses in auditing. This extensively revised third edition continues to provide the reader with a comprehensive and integrated coverage of the latest developments in the environment and methodology of auditing. Aimed at introductory level courses in auditing at undergraduate, graduate and professional levels, it develops the auditing process in a logical and sequential manner enabling the reader to progressively consolidate their understanding of the concepts and process. The book contains a strong pedagogical framework including: chapter overviews, learning objectives and checks, review questions, professional application questions, case studies and a glossary of technical terms. New features include: * Updated coverage of developments in companies legislation, regulation and corporate governance * Discussion of new developments in ethical codes * Coverage of the latest audit risk standards and the impact of the IAASB's Clarity Project * Focus on changes in professional statements and structure and the increasing influence of IFAC

The tenth edition of Knapp's CONTEMPORARY AUDITING utilizes real-world cases to highlight the work environment of auditors. Using real-world examples and pointing out potential red flags, these cases help students to identify audit problem areas. Knapp's CONTEMPORARY AUDITING contains the most recent, compelling, and up-to-date examples. Those cases most widely used by adopters have been retained: Enron Corporation, Golden Bear Golf, Hopkins v. Price Waterhouse, Lehman Brothers, Leigh Ann Walker, Madoff Securities, The Trolley Dodgers, and ZZZZ Best Company. Many of the returning cases have been updated to include relevant circumstances and events that have occurred since the publication of the previous edition. This edition features 18 new cases. Three of them are comprehensive cases: AA Capital Partners, DHB Industries, and Navistar International Corporation. New cases in the Audits of High-Risk
