causes of the First World War, from acclaimed historian and author Christopher Clark SUNDAY TIMES and INDEPENDENT BOOKS OF THE YEAR 2012 The moments that it took Gavrilo Princip to step forward to the stalled car and shoot dead Franz Ferdinand and his wife were perhaps the most fateful of the modern era. An act of terrorism of staggering efficiency, it fulfilled its every aim: it would liberate Bosnia from Habsburg rule and it created a powerful new Serbia, but it also brought down four great empires, killed millions of men and destroyed a civilization. What made a seemingly prosperous and complacent Europe so vulnerable to the impact of this assassination? In *The Sleepwalkers* Christopher Clark retells the story of the outbreak of the First World War and its causes. Above all, it shows how the

Before the latest EU enlargement, substantial changes in the integration process were predicted as a result of the accession of 10 new Member States, with some forecasting cataclysmic consequences. This book, one of the first ex post assessments of EU enlargement, provides evidence to the contrary, while also providing examples in which the new Members have been able to influence EU policy output with their liberal attitudes on economic and social policy.

language education. It reflects academic and societal developments since the publication of the Common European Framework of Reference for Languages (CEFR) and updates the 2001 version. It owes much to the contributions of members of the language teaching profession across Europe and beyond. This volume contains:

an explanation of the key aspects of the CEFR for teaching and learning; a complete set of updated CEFR descriptors that replaces the 2001 set with: - modality-inclusive and gender-neutral descriptors; - added detail on listening and reading; - a new Pre-A1 level, plus enriched description at A1 and C levels; - a replacement scale for phonological competence; - new scales for mediation, online interaction and plurilingual/pluricultural

of the most urgent challenges which Europe faces in this decade: the social dimension of the new unified Europe. In the new economic landscape which the single market will create before the end of this Century, it is important to have answers to the following questions. How are we going to work and under which kind of employment contract? Who will decide about our social security systems? What kind of negotiations will take place about the level of our welfare and the condition of our work? Who are the social partners and what kind of delegation do they have? What will be the role of the individual States in this negotiations? What are the arguments justifying the position of the unions or the employers? Who will finally decide about the social laws in tomorrow's Europe? This very timely and most useful book is
