One of Europe's most popular and best-loved authors, Eric-Emmanuel Schmitt captivates the reader with his spirited, buoyant style and enchanting stories that move effortlessly from the everyday to the fantastical. The eight stories in this collection, his first to be published in English, represent some of his best writing and most imaginative storylines: from the love story between Balthazar, wealthy and successful author, and Odette, cashier at a supermarket, to the tale of a barefooted princess; from the moving story of a group of female prisoners in a Soviet gulag to the entertaining portrait of a perennially disgruntled perfectionist. Here are eight contemporary fables, populated by a cast of extravagant and affecting characters, about people in search of happiness. Behind each story lies a simple, if elusive, truth: happiness is often right in front of our eyes, though we may frequently be blind to it.

A collection of eight stories from the French playwright and novelist feature a variety of interesting women characters.

From the author of The Most Beautiful Book in the World, a literary tour de force of contemporary eroticism. "This message is just to say I love you. Signed: You know who." A love note is delivered anonymously to each inhabitant of Piazza Guy d'Arezzo in Brussels one morning, triggering a series of adventures and misadventures that, over 600 pages, develop into a sumptuous comedy of manners that is sexy, sensual, affecting, encyclopaedic, and unlike anything written previously by Schmitt. Employing a roving camera technique that recalls both the stylish cinematic tradition of French New Wave and the films by Fellini and Antonioni, The Carousel of Desire is a sexual and romantic saga told with a master storyteller's feel for character and plot, and a philosopher's abiding preoccupation with what makes life truly worthwhile. Schmitt tells a colourful tale about class and community, about the varieties of human experience. His love of coincidence and serendipity is surpassed only by his affection for his all-too-human characters: Zachary Bidermann, the powerful E.U. commissioner; Faustina, the fashionable book publicist; Franc 7ois-Maxime de Couvigne, the happily married banker with more than a few secrets; Marcelle, enamoured of a handsome illegal immigrant; and Miss Beauvert, who makes love with her parrot, Copernicus. These and many more unforgettable characters animate this story of simmering desire and mischievous Ecce.

The title story is the tale of two friends with very different personalities—one competitive and aggressive, the other kind and disinterested. They are confronted with circumstances that lead to a catharsis in which both men will move beyond their predetermined roles. Another story, "The Return," introduces a father whose work takes him far from home for months at a time. Over the years, the names, faces and personalities of his wife and children have blurred in his memory, a fact that comes cruelly to light when, while on a trip, he learns that one of his daughters has died but can't recall exactly which one it is. In his confusion he begins asking himself which daughter he would miss most—a heartless question but one that will bring him to recognize his failings as a man and as a father.

Eric-Emmanuel Schmitt is the author of three luminous collections of short stories published by Europa Editions, including the bestselling Most Beautiful Book in the World, and the novel, Three Women in a Mirror. The questions at the center of all of these delightful works is the same: What is happiness and how do we attain it? In this latest collection, two young lovers secretly adore the child they can never have; an esteemed physician and survivor of the Nazi concentration camps finds inner peace thanks to the love of a faithful dog; a man loves his wife through the memories of her first husband; and a mother rediscovers love for her child when someone tries to take that child from her. And finally, Severine and Benjamin understand that they have lost the love of their lives when they see themselves through the eyes of a young terminally ill girl. Love is not easy, and not always easy to find; at times, it is obliged to circumvent social norms and thus transform them; it must be desired, sought, defended. We cannot know what life has in store for us, but we do know that whatever it is, it will only be meaningful if borne on the wings of love. Schmitt's sublime stories remind us how true this is.

THE STORY: Nobel Prize-winning author Abel Znrork lives as a recluse on a remote island in the Norwegian Seas. For fifteen years, his one friend and soulmate has been Helen, from whom he has been physically separated for the majority of their affair

First publication in English of France's most successful contemporary playwright Don Juan on Trial: 'Brilliant dialogue' (Le Figaro); The Visitor: 'An overwhelming triumph ...a masterpiece' (Paris Match); 'Sharp, biting, unexpected and cunning' Le Figaro; Enigma Variations: 'Schmitt...writes with extreme cunning...a brilliant author' (Le Monde); 'Simple, shattering and witty. A play full of surprises' (L'Express); Between Worlds: Schmitt's eighth play is a metaphysical comedy set in the 'Two Worlds Hotel', where those in a coma come to stay while their medical dramas unfold back amongst the living."I have been looking for a play like this for the last twenty years" (Alain Delon of Enigma Variations)

From one of the world's biggest selling authors comes another million-copy worldwide bestseller: A beautiful and tender fable seen through the eyes of a Jewish child living in Belgium under the Nazi occupation. It is 1942 and the Jews are being deported from Belgium. Separated from his parents, seven-year-old Joseph must go into hiding. He is taken in the dead of night to an orphanage, the Villa Jaune, where the benign and enigmatic Father Pons presides over a motley assortment of children. With the ever-present threat of the Gestapo growing closer, Joseph learns that the secret of survival is to conceal his Jewish heritage. Soon Joseph also discovers that Father Pons has a secret of his own: he is risking his life not only for the boys in his care, but for the Jewish faith itself. Sensitive, funny and deeply humane, Noah's Child is a simple fable that reveals the complexities of faith, bravery and the human condition.

Unlock the more straightforward side of Oscar and the Lady in Pink with this concise and insightful summary and analysis! This engaging summary presents an analysis of Oscar and the Lady in Pink by Éric-Emmanuel Schmitt, a novel about a young boy called Oscar who is suffering from a serious disease and has days left to live. Through his relationship with a former wrestler called Granny Rose, Oscar slowly comes to terms with his situation and, with the help of letters he writes to God, makes his peace with it. A part of the Cycle of the Invisible, Oscar and the Lady in Pink has been adapted for both the theatre and the cinema. Éric-Emmanuel Schmitt began his career as a scriptwriter but soon moved on to writing novels, many of which prominently feature religion. In 2013, he published his first graphic novel. Find out everything you need to know about Oscar and the Lady in Pink in a fraction of the time! This in-depth and informative reading guide brings you:
• A complete plot summary
