The air fryer is
Page 75/79

Online Library Philips Kitchen

Certainly a very new interesting cooking device. Forget about the traditional deep fryer and take a look at this new unique culinary technology. You can purchase an air fryer from anywhere between \$80 and \$200 US dollars. So, the price is similar to a traditional fryer you

Online Library Philips Kitchen

are mostly familiar with, but the way this device will cook your food is definitely revolutionary. The air fryer heating element is what is totally different from any other device you ever own. Here is how it works in a nutshell. Like its name indicates, it actually uses the hot air to

Online Library Philips Kitchen

cook your food to perfection. We will introduce the detailed cooking steps as well as many Air Fryer Recipes in this book. This Philips Air fryer Cookbook will help you understand exactly how the device works and how it is possible to grill, roast, bake or fry the food, depending on a
