For courses in American government A result of time-tested scholarship, Government by the People gives a hopeful but realistic perspective on American government and emphasizes the role people play in our constitutional democracy. Prentice Hall is extremely proud to publish the book that remains the most reliable, responsive, and respected text for use in colleges and universities in every state of the nation. For over 50 years, this is the book that has always remained one step ahead of all the others by anticipating your needs as an educator and your students' needs as learners. Now in its twenty-second edition, Government by the People continues this tradition. We are entering a very complex political era and there is no better text poised to take students from being simple onlookers to knowledgeable participants in the American political experience. The level of scholarship of the Government by the People author team, as well as the way in which they treat each new edition as a fresh challenge, is clearly represented in this new edition.

The most authoritative text for American Government, Government By the People is always one step ahead. Building on a long tradition of clear and accessible writing, sound scholarship, and currency, it has become the most reliable, responsive, and respected text for today's American government course. Its distinguished author team addresses your needs and the needs of your students in every edition--with the most innovative response to teaching trends, as well as trends in the discipline. With this text's essential foundation, students will be set to respond--as involved American citizens--to the political issues facing their country, and their world, in the twenty-first century.

Discusses the make-up and function of the U.S. system of government. Its primary focus is on the modern political system in the United States. This focus centers on how the federal and state governments are constructed and the comparative political ideologies that influence how those governments operate--Provided by publisher.

For courses in American Government. This text presents a succinct and timely approach to the principles and practices of the American governmental system. Concentrating on the most significant issues necessary to understanding American government, this book is specifically structured to engage today's students through a concise, stimulating style that is free of ideological and political bias. In order to stay brief, while intellectually stimulating, each edition is revised thoroughly to focus on the current issues of greatest significance.

A concise study of the basics of American Government. This edition features two or three Close Up boxes in each chapter, designed to capture student interest and provide an in-depth look at the issues. The discussion of issues relating to women and minorities has also been expanded.
