The door to GATE exam is through previous year question papers. If you are able to solve question papers in access of 10 years, you are sure to clear this exam and open new vistas of career and learning. IES Master's Civil Engineering GATE 2020 gives detailed solutions for the past 33 years question papers. Unlike other GATE solution books published by some of the leading institutes/publishers, the solutions books from IES Master offer topic-wise descriptions. The emphasis is clearly on the understanding of concepts and building upon a holistic picture. So as you finish a topic, say Shear Force and Bending Moment, you will find all the previous years' question papers with detailed explanation under one topic.

Fall in Love with yourself first. The interview selection committee of experts will definitely fall in Love with your persona, and your career will zoom. If you want to learn swimming, jump into water. No theories or lecture baazi on how to swim, will help you. If you want to be selected for/ in an interview, jump into this work book. Come out from that disease "ha..ha..ha.. I know everything" syndrome. It's not what you know, but how effectively you deliver matters. X-ray your personality. Interview therapy of 3P-3M principles will make you employable/job worthy. Good luck.
