Rick Mercer Final Report, Book by Rick Mercer (Hardcover ...

Rick Mercer is a Canadian comedian, television personality, political satirist and author. He is best known for his work on the CBC Television comedy shows This Hour Has 22 Minutes, Made In Canada and Rick Mercer Report. He is the author of four books all of which have been national best sellers.

Rick Mercer

Rick Mercer can always be relied on to provoke a strong reaction—but what he said one fall day in 2017 truly shocked the nation. In a rant posted on social media, the great Canadian satirist announced loud and clear that the current, 15th season of the Rick Mercer Report --the nation's best-watched and best-loved comedy show--would be the last.

?Rick Mercer Final Report on Apple Books

A book by Mercer, Rick Mercer Report: The Book, based on his television program, was published on September 25, 2007, by Doubleday Canada. This was Mercer's first book since his bestselling Streeters of 1998, and contained a collection of the best of Mercer's "rants" from the first four seasons of Rick Mercer Report , together with choice moments from interviews for the program and other writings by Mercer.

Rick Mercer - Wikipedia

Rick Mercer Report: The Paperback Book is an updated, expanded remix of its bestselling predecessor, containing 10,000 words of new material from the show’s fifth season. Rick’s celebrated rants are some of the sharpest political commentary to be found anywhere in the country’s media, and certainly the funniest.

Rick Mercer Report: The Paperback Book: Mercer, Rick ...

Rick Mercer Report (also called the Mercer Report or RMR) is a Canadian television comedy series which aired on CBC Television from 2004 to 2018. Launched in 2004, as Rick Mercer's Monday Report, or simply Monday Report, by comedian Rick Mercer, the weekly half-hour show combined news parody, sketch comedy, visits to interesting places across Canada, and satirical editorials, often involving ...

Rick Mercer Report - Wikipedia

Rick Mercer Report: The Book collects dozens of his hugely popular “rants,” originally presented either as TV monologues or blog posts on the show’s website, alongside other material. The rants are sorted into loose sections by theme, each with a short, pithy introduction.

Rick Mercer Report: The Book | Quill and Quire

Rick Mercer startled the nation when in 2017 he announced that the 15th season of Canada's most-watched and beloved comedy show the Rick Mercer Report would be the last. As this book reminds us, he quit while he was way, way ahead. Final Report includes blisteringly good rants from the final five seasons and some of the very best rants from the show's early years.

Rick Mercer Final Report by Rick Mercer, Paperback ...

His latest book, Rick Mercer Final Report, a #1 Toronto Star and Globe and Mail bestseller, brings together never-before-published rants from the last five seasons of the show, plus a selection of the very best rants from earlier years.

Rick Mercer - Keynote Speaker & Former CBC Host | The ...

Rick Mercer is a Canadian treasure, and it is a sad commentary that he is no longer on air. But this book will live on. Some of the specific political commentary may no longer be current, but its message and meaning still resonates.

Rick Mercer Report: The Book

Canada's pre-eminent satirical commentator brings down the curtain on his hugely successful show in this instant #1 national bestseller. Rick Mercer can always be relied on to provoke a strong reaction—but what he said one fall day in 2017 truly shocked the nation. In a rant posted on social media, the great Canadian satirist announced loud and clear that the current, 15th season of the Rick Mercer Report--the nation's best-watched and best-loved comedy show--would be the last. After more than 250 episodes, 250 rants and countless miles spent travelling the length and breadth of Canada to do everything from bungee jumping with Rick Hansen to whale watching with Measha Brueggergosman, it was time to move on. What he will do next is still unknown, and Canada eagerly awaits future developments. But meanwhile, we have this book to keep us going. This volume brings together never-before-published rants from the last five seasons of the show, plus a selection of the very best rants from earlier years. And throughout the book, in a series of brilliant new essays, Rick shares his hilarious, moving and at times hair-raising memories from the past fifteen years. Remember when he and Jann Arden travelled by helicopter to a terrifying bat cave in a mountain? No--because that trip went so horribly wrong it never made it to the screen. Pierre Berton--what was really in that joint he rolled? (It wasn't oregano.) What catastrophe took place in Norman Jewison's bathroom? And can the show still go on when your director in charge is delirious from an allergic reaction? (Yes.) All this and more is revealed by Rick in some of his sharpest and funniest writing yet.

Rick Mercer Report: The Paperback Book is an updated, expanded remix of its bestselling predecessor, Rick Mercer Report: The Book, containing 10,000 words of new material from the show’s fifth season. Rick’s celebrated rants are some of the sharpest political commentary to be found anywhere in the country’ s media, and certainly the funniest. They are featured here, along with other moments from the show — including encounters with Conrad Black, Jean Chrétien, and Anne Murray — and many additional pieces, some of which first appeared on his website. Because when he's not jumping into a lake with David Suzuki or Bob Rae, or helping the leader of the Green Party kill a tree, Rick Mercer likes to relax by blogging. From Kabul, say. Or the bearpit of a leadership convention. Rick Mercer Report: The Paperback Book will help you make sense of five extraordinary years in the life of Canada — or at least laugh despite them.

Canada's beloved comic genius tells his own story for the first time. What is Rick Mercer going to do now? That was the question on everyone's lips when the beloved comedian retired his hugely successful TV show after 15 seasons—and at the peak of its popularity. The answer came not long after, when he roared back in a new role as stand-up-comedian, playing to sold-out houses wherever he appeared. And then Covid-19 struck. And his legions of fans began asking again: What is Rick Mercer going to do now? Well, for one thing, he's been writing a comic masterpiece. For the first time, this most private of public figures has turned the spotlight on himself, in a memoir that's as revealing as it is hilarious. In riveting anecdotal style, Rick charts his rise from highly unpromising schoolboy ("Rick still owes 15 dollars to the chocolate bar fundraiser" was one of the less brutal items on a typical report) to heights of TV fame, by way of an amazing break as a teenager when his one-man show, "Show Me the Button, I'll Push It. Or, Charles Lynch Must Die," became an overnight sensation—thanks in part to a bizarre ambush by its target, Charles Lynch himself. That's one story you won't soon forget, and this book is full of them. There's the tale of how little Rick stole a tree from the neighbours that's set to become a new Christmas classic. There's Rick the aspiring actor—hitting the road as a new young punk in a vanload of hippies and appearing on stage in Shakespeare—and a wealth of behind-scenes revelations about This Hour Has 22 Minutes, Made in Canada, Talking to Americans and the coming of the mega-hit Rick Mercer Report. It's a life so packed with incident and laughter we can only hope that a future answer to "What is Rick Mercer going to do now?" is: "Write volume two."

An all-new collection of furiously funny rants from the most recent seasons of the Rick Mercer Report plus three brilliantly written, previously unpublished pieces by Rick. Illustrated throughout with photos and snatches of dialogue from Rick's encounters and exploits across Canada. "I[Mercer's] trademark one-camera rants against the Canadian parliamentary machine are more concise, and more believable, than any campaign ads." —The Globe and Mail "The comedian of choice for viewers who read." —Toronto Life "Canada's hottest TV comic." —Maclean's "Week after week, Mercer continues to delight with his alternately giddy and cutting political humour." —The Canadian Press "Canada's leading political satirist." —The New York Times "A good rant is cathartic. Ranting is what keeps me sane. They always come from a different place. Take the prime minister, for example. Sometimes when I rant about him, I am angry; other times, I am just severely annoyed—it's an important distinction." —Rick Mercer, from his introduction Within these pages you'll find every rant that Rick has so brilliantly and blisteringly delivered since the publication of his previous bestseller, Rick Mercer Report: The Book. Together these rants form a chronicle of human folly, mostly featuring politicians, of course, but with honorable mentions going to people who don't know how to use escalators and Canadian drivers who don't think they need snow tires. Is Mercer getting better or are the fools among us getting worse? Whatever the inspiration—Rick Mercer's ranting has never been stronger or more on target. There is a loud, cathartic laugh to be found on almost every page here—with the exception of Rick's impassioned rant on bullying in schools, words that touched thousands of Canadians, went viral and helped widen the debate on a major problem. Also reprinted here is the rant encouraging students to vote, which resulted directly in a campus ballot and outrage in Ottawa. (People still are still standing on the left on escalators, and the prime minister is still very much the man he was, but you can't win them all.) In addition, Rick has authored three new essays specially for this book: the hilarious behind-the-scenes story of his meeting with Rick Hansen, a hero who absolutely was not a disappointment in real life; a heartfelt reflection on public reaction to his bullying rant; and an account of his response—mystified, followed by delighted—to the news that he'd inspired a "vote mob." Illustrated throughout with photographs and dialogue from Rick's travels across Canada, A Nation Worth Ranting About will make you proud, will make you think, will make you almost as angry as Rick, and over and over again will make you laugh out loud.

This work examines what happens when comedy becomes political, and politics become funny. A series of original essays focus on a range of programmes, from 'The Daily Show' to 'South Park'.

This book is a tale about a girl who was born into an unexpected reality. We laugh at the unexplained and tend to mock what we don't understand. This girl was born into a world that didn't want her. She found love with her Grandmother in the northeastern farms of Thailand. At the age of six she encountered a near death experience that forever changed her life. During the course of her first seventeen years she experienced coming back from the other side: She witnessed a public suicide, and an old man being publicly beaten to drive out a spirit that people believed made him ill: She was visited by spirits that would give even the strongest person nightmares. The book is very entertaining when you see how this child copes with everyday life experiences as well as the supernatural experiences. At the age of thirteen she was able to catch a thief. At an older age she was able to deal with spirits that wanted nothing more than to do harm. I mean physical harm. This book is about a little girl with more inner strength than most of us can possibly comprehend. She tapped into her inner self and found the courage to accept and to rationalize their very existence. This book is about a little girl named by a nurse because no one was around to give her a name. Her name is Nongnooch Mercer.

The more than one million Canadians who watch "This Hour Has 22 Minutes" will recognize Rick Mercer's "streeters"—the caustically funny rants that have become one of the best-loved segments of the show. Often called Parliament's "Unofficial Opposition," Rick Mercer writes all his rants and is also one of the primary writers for the show. Photos and an eye-catching design set off Mercer's memorable exposes of the pretensions of politicians and the foibles of our society. RICK MERCER RANTS ABOUT QUEBEC "If Quebec separates it's only gonna get worse... The first thing they're gonna do once they leave is come over. They'll be like the next door neighbour with an Amway catalogue. How are you? I'm fine. No hard feelings, let's start a carpool, can I stay in the guest room, use your currency, go halves on the army, by the way I'm a king now." RICK MERCER RANTS ABOUT JEAN CHRETIEN "I wish people would just get off Jean Chretien's back. The man goes to China, he makes a few deals, makes us a pile of cash and what happens? Everyone is all up in arms just because of a few minor human rights violations. Look, Chretien has no choice. My next door neighbour and I, we go halves on firewood, I save money. It's a great deal for me. But there's some soft liberals out there would prefer if I didn't even talk to the man. Okay so he ran over a couple of kids in his car because they were making a racket out on the cul-de-sac. And yes he's got a bunch of youngsters chained to the furnace because they talked bad. But hey, it's not like I haven't made my feelings known to the man. I've done my part. One time I said "That's bad." He changed the topic, we went on with our business, had aber, whatever. My conscience is clear and like Jean Chretien, I cannot afford to jeopardize this very special mutually profitable relationship with my neighbour just because of a few people chained up in his basement. And don't give me any grief here. Hey, I'm only following my Prime Minister's lead."

A tongue-in-cheek look at how Canada can fix United States politics, including filling oil pipelines with maple syrup, moving Guantanamo Bay to the Arctic, and combining American English and Canadian English to form Super English.

Soon to be a TV series Winner of the 2019 Margaret and John Savage First Book Award – Non-Fiction Shortlisted for the 2019 Kobo Emerging Writer Prize Longlisted for the 2019 RBC Taylor Prize Shortlisted for the 2019 Stephen Leacock Memorial Medal for Humour A hilarious story of family, getting into trouble, and finding one's place in the world What could be better than growing up in the 1980s? How about growing up in 1980s Newfoundland, which—as Mark Critch will tell you—was more like the 1960s. Take a trip to where it all began in this funny and warm look back on his formative years. Here we find a young Mark trick-or-treating at a used car lot, getting locked out of school on a fourth-floor window ledge, faking an asthma attack to avoid being arrested by military police, trying to buy beer from an untrustworthy cab driver, shocking his parents by appearing naked onstage—and much more. Best known as the "roving reporter" for CBC's This Hour Has 22 Minutes, Mark Critch has photo-bombed Justin Trudeau, interviewed Great Big Sea's Alan Doyle (while impersonating Alan Doyle), offered Pamela Anderson a million dollars to stop acting, and crashed White House briefings. But, as we see in this playful debut, he's been causing trouble his whole life. Son of a Critch captures the wonder and cluelessness of a kid trying to figure things out, but with the clever observations of an adult, and the combination is perfect.

With humour and heart, Peter shares never-before-told stories from his distinguished career, including reporting on the fall of the Berlin Wall and the horror of 9/11, walking the beaches of Normandy with Tom Brokaw, and talking with Canadian prime ministers from John Diefenbaker to Justin Trudeau. But it's far from all serious. Peter also writes about finding the "cure" for baldness in China and landing the role of Peter Moosebridge in Disney's Zootopia. From the first (and only) time he was live to broadcast to his poignant interview with the late Gord Downie, these are the moments that have stuck with him.
