"Secret Seduction" appears to be focused toward the very young adult reader, which could explain my lack of enthusiasm for this nicely formatted and well edited book. The result was a novel that failed to keep this reader eagerly turning pages, though I did read it all, perhaps hoping for an outstanding conclusion.

When everything is stripped away in one tragic blow, and she's being stalked by a mad-man, she'll need the help of her hometown and an old flame, to turn everything around and find what she's been looking for.

Popularly known throughout England as "The Bloody Duke," Lord Nicholas Rosemont, Duke of Candlewood is not a spy. No matter what anyone thinks. He is simply extremely observant, a talent he has put to good use over the years - both to his benefit and his country's. Lady Eliza Deaver, daughter of the Marquess of Framingham, has known Lord Candlewood for years, even though few in society realize their unlikely connection. Eliza's brother Stephen was one of Nicholas' best friends. That was, until Stephen walked away from his duties and his family to join the army and never returned, dying at sea and plunging the entire family into deep mourning. Now a man has appeared claiming to be Stephen, but is he really? Neither Eliza nor Nicholas think so, but then, after so many years away, who can say for certain? Still, bringing this man back into the Framingham family is a risk, one Eliza is not willing to take without some little bit of confirmation that the man is really her brother. Can Nicholas, who has always felt responsible for both Stephen's departure and Eliza's well-being, use his vast resources to determine if this man really is his long-lost friend? More importantly, can he resist the sweet charms of the suddenly very delectable Lady Eliza? Or will she manage to do the one thing no other woman has - seduce the Bloody Duke into marriage?

She was so irresistibly sweet. I won't leave without a taste. She kept changing her identity. So much so that I couldn't even recognize her. She thought I was a businessman. Who just happened to stop by her bakery. What she didn't know was that she was my target. Her ex was locked up in jail. She was the one who ratted him out to the Feds. I had to keep my own weapons in check. And by weapons, I mean what's in between my legs. Because my emotions got the better of me. When she started adding extra chocolate in my mocha. I had a job to do. But I didn't want to do it. I'll have to do something to get what I want. Because if not, my boss will put me on his hit list. This is book 6 of the Omerta series. This is a dark mafia romance. There is NO cheating, NO cliffhanger, and a guaranteed happy ending!

After seeing his daughter Teagan, I questioned what I was going to do. Never have I seen a woman as beautiful as her. She came to my bed that night. Her body was better than chocolate. I knew I needed her help. As luck of the Irish would have it, convincing her wouldn't be too hard. But then I found out she was carrying my baby. I don't know if I can avenge my family alone. Not with her being the mother of my child. Or its grandfather, my major target. But when I want something, I take it. No compromises. This is book 4 of the Omerta series. This is a bad boy mafia revenge romance. There is NO cheating, NO cliffhanger, and a guaranteed happy ending!

Aria: The only thing I need is him... It was the night before my wedding. Maybe I cursed it by visiting my fiance. I didn't expect him to cheat on me with my best friend. That night I ended up going to the strip club. The same one I went for my bachelorette party. That guy told me to come back if it didn't work out. I laughed at the thought. Well, it came true, because it didn't. What was I to do next? Ryan: I want her, but I know I can't... I had my eye on her the whole night at the club. Usually, I can control myself. But not that night. She came from a rich family. I came from the trailer. She was educated. I wish I was. There was no way it would work. But maybe if things changed, they could? This is a full length bad boy romance novel. It is book three of the City Bad Boys series. It has NO cheating, NO cliffhanger, and a happily ever after.
