I have read each of the previous books in the Psy-Changeling series and have enjoyed them all. Possibly it was because I was already fascinated by Vasic.

Shield of Winter is the thirteenth full-length book in the Psy-Changeling series and I don't recommend reading it as a standalone. Each book in the series builds upon the last, and though Ms. Singh does a great job of providing all the information necessary to read Shield of Winter within the book, I suggest at least reading Heart of Obsidian before diving into Vasic and Ivy's story.
