~~In his book "Short Walks from Bogota," Tom Feiling explores many of the ghosts still haunting this beautiful country, from cocaine trafficking, to paramilitary violence and the FARC. Colombia of the 1990s was the poster child of Dr. King Jr.'s admonition that "violence begets violence," and poor circumstances can have a bastardizing influence.~~

~~(Extract from the book Short Walks from Bogotá: Journeys in the new Colombia) Short Walks from Bogotá (2012) is a compelling and at times unsettling account of the complex and tangled history of Colombia, a country that very few understand. Beyond the stereotypes of crime and cocaine, Tom Feiling takes us on a journey into Colombia's unknown, venturing through hamlets and villages to get closer to the origins of its history and better understand an ongoing conflict which has shaped the ...~~

~~For decades, Colombia was the 'narcostate'. Now it's seen as one of the rising stars of the global economy. Where does the truth lie? Writer and journalist Tom Feiling has journeyed throughout Colombia, down roads that were until recently too dangerous to travel, talking to people from former guerrilla fighters to nomadic tribesmen and millionaires. Vital, shocking, wry and never simplistic, Short Walks from Bogota unpicks the tangled fabric of Colombia to create a stunning work of reportage, history and travel writing. 'The best British travel writers like Norman Lewis or Bruce Chatwin give the reader more than simple travellers' tales. Feiling is of their company . . . a brilliant, penetrating and highly readable account.' Robert Carver, Spectator 'He is so good everyone else may as well pack up.' David Gallagher, The Times Literary Supplement 'Excellent, important . . . unravels Colombia's complexities for those who have little conception of the country beyond cocaine and violence.' Rachel Aspden, Observer 'Dramatic and captivating.' Wanderlust 'Elegantly written and knowledgeable. Feiling writes with the eye of a seasoned journalist and the style of a travel writer.' Carl Wilkinson, Financial Times~~

~~The creation myth of the United States begins with the plucky English puritans of the Mayflower--but what about the story of its sister ship, the Seaflower. Few people today know the story of the passengers aboard the Seaflower, who in 1630 founded a rival puritan colony on an isolated Caribbean island called Providence. They were convinced that England's empire would rise not in barren New England, but rather in tropical Central America. However, Providence became a colony in constant crisis: crops failed, slaves revolted . . . and then there were the pirates. And, as Tom Feiling discovers in this surprising history, the same drama was played out by the men and women who re-settled the island one hundred years later. The Island That Disappeared presents Providence as a fascinating microcosm of colonialism--even today. At first glance it is an island of devout churchgoers - but look a little closer, and you see that it is still dependent on its smugglers. At once intimate and global, this story of puritans and pirates goes to the heart of the contradictory nature of the Caribbean and how the Western World took shape.~~

~~This guide to Colombia reflects the resurgence of the country among travellers following years of lawlessness. With a strong focus on the country's cultural attractions, it will appeal to visitors seeking to discover Colombia's renowned flora and fauna, as well as its historic colonial cities, and its range of eco-tourism initiatives~~

We pride ourselves on our accurate, honest and informed travel guides.~~

~~Traditional Chinese edition of Delirio - by Colombian writer Laura Restrepo. A husband returns home after a business trip to discover his wife has gone mad. With no clue of how she became mad, he set out to investigate. Through four protagonists, the novel paints the society and the ordinary folks of the war-torn and corrupt Colombia. In Chinese. Distributed by Tsai Fong Books, Inc.~~

~~Ellen och Henrik åker till Colombia med planen att backpackresa vidare genom Sydamerika. Första stoppet är hostel Papegojan i Bogotá, Colombia. Men medan Henrik vill avverka resmålet sevärdheter och sedan dra vidare enligt utstakad reseplan så vill Ellen stanna kvar. Hon blir omedelbart vän med Lila, den enda colombianskan som bor på hostelet. Det är den sortens vänskap som flammar upp likt en häftig förälskelse. Precis som Ellen drömmer Lila om att resa, men som colombian är det mer eller mindre omöjligt att ta sig till andra kontinenter. På hostelet bor även The Swedish guy, en frilansjournalist som drömmer om att göra djärva frilansreportage om landets knarkhandel, också han med särskilda band till Lila. En annan flitig besökare är Jhony, en colombiansk småskalig knarkhandlare som förser gästerna med droger och som Lila och Ellen betraktar lite som en lillebror. Parallellt med vardagen på Papegojan rullas ett efteråt upp där man~~
