Slaughterhouse Five The

Selected by the Modern Piano

Library as one of the 100

best novels of all time

Slaughterhouse-Five, an

American classic, is one of

the world's great antiwar

books. Centering on the

infamous World War II

firebombing of Dresden, the

novel is the result of what

Kurt Vonnegut described as a

twenty-three-year struggle

to write a book about what

he had witnessed as an

American prisoner of war. It

combines historical fiction,

science fiction,

autobiography, and satire in

an account of the life of

Billy Pilgrim, a barber's

son turned draftee turned

optometrist turned alien

Slaughterhouse Five The

abductee. As Vonnegut had, Billy experiences the destruction of Dresden as a POW. Unlike Vonnegut, he experiences time travel, or coming “unstuck in time.” An instant bestseller, Slaughterhouse-Five made Kurt Vonnegut a cult hero in American literature, a reputation that only strengthened over time, despite his being banned and censored by some libraries and schools for content and language. But it was precisely those elements of Vonnegut’s writing—the political edginess, the genre-bending inventiveness, the frank violence, the transgressive wit—that have

Slaughterhouse Five The

inspired generations of readers not just to look differently at the world around them but to find the confidence to say something about it. Authors as wide-ranging as Norman Mailer, John Irving, Michael Crichton, Tim O'Brien, Margaret Atwood, Elizabeth Strout, David Sedaris, Jennifer Egan, and J. K. Rowling have all found inspiration in Vonnegut's words. Jonathan Safran Foer has described Vonnegut as "the kind of writer who made people—young people especially—want to write." George Saunders has declared Vonnegut to be "the great, urgent, passionate American

Slaughterhouse Five The

writer of our century, who offers us . . . a model of the kind of compassionate thinking that might yet save us from ourselves." Fifty years after its initial publication at the height of the Vietnam War, Vonnegut's portrayal of political disillusionment, PTSD, and postwar anxiety feels as relevant, darkly humorous, and profoundly affecting as ever, an enduring beacon through our own era's uncertainties. "Poignant and hilarious, threaded with compassion and, behind everything, the cataract of a thundering moral statement."—The Boston Globe

Slaughterhouse Five The  
Sirens Of An Player Piano  
Cats Cradle Breakfast  
Presents a collection of  
critical essays about Kurt  
Vonnegut's Slaughterhouse-  
five.

As a young man and a prisoner of war, Kurt Vonnegut witnessed the 1945 Allied fire-bombing of Dresden in Germany, which reduced the once proudly beautiful city to rubble and claimed the lives of thousands of its citizens. For many years, Vonnegut tried to write about Dresden by the words would not come. When he did write about it, he combined his trademark humour, unfettered

A comprehensive study guide  
offering in-depth  
explanation, essay, and test  
prep for Kurt Vonnegut's  
Slaughterhouse-Five, an  
instant success across all  
popular media. As an anti-  
war novel of the 1960s,

File Type PDF

Slaughterhouse Five The

Vonnegut wrote

Slaughterhouse-Five as a double story: the main character suffers from the traumatic effects of war; the author struggles with the effects of war on both the character and the author. Moreover, his writing shows his belief that art is no longer a finished product, but it is an ongoing process. This Bright Notes Study Guide explores the context and history of Vonnegut's classic work, helping students to thoroughly explore the reasons it has stood the literary test of time. Each Bright Notes Study Guide contains: -

Slaughterhouse Five The

Sirens Of An Player Piano

Cats Cradle Breakfast

An odd book in that it mixes elements of science fiction with psychological analysis,

Slaughterhouse-Five tells the story of Billy Pilgrim, a GI prisoner of war. He time-travels and wanders through a mysterious ether where spatial-temporal relationships are at odds with what we accept as reality.
