“ Bernd Heinrich is one of our greatest living naturalists in the tradition of Gerald Durrell....A natural treasure. ” —Los Angeles Times Summer World is an intimate, accessible, and eloquent illumination of animal survival in the Summer months from Bernd Heinrich, bestselling author of Winter World and “ our latter-day Thoreau ” (Publishers Weekly). Pulitzer Prize-winner Edmond O. Wilson (On Human Nature) calls Heinrich 's fascinating exploration and appreciation of the natural order a, “ lovely book, meticulously etched and based on impassioned but exacting scientific research, ” while the New York Times Book Review raves, “ Animals come to life in gripping detail...and so does Heinrich.... The man is irrepresible. ”

From cookouts & fireworks to sunburn & swimming pools, What's a Season? Summer shows kids some of the fun things they might experience this time of year. Kick off your flip flops, grab some lemonade & stay cool!

Follow the children in this book as they discover and explore the unique character of summer through indoor and outdoor play.

"Books in this series introduce emergent readers to the four seasons. In Summer, children are taken on a tour of things they can see in summer including typical summer activities and changes in the natural world. Beautiful photos, very simple repeated text, high frequency and decodable words and strong photo-to-text matching make this a perfect book for early readers to enjoy"--Provided by publisher.

Building on the success of National Geographic's Journeys of a Lifetime series, a sumptuously photographed, detailed tour of hundreds of the world's most alluring locations and activities is seasonally organized to profile everything from the cherry-blossom temples of Kyoto to Rockefeller Center's ice-skating rink.

This beautiful, heartwarming story, shows a little girl and her loving dad, as they experience the wonders of summer! The world is joyful and magical, when seen through a child's eyes, and the splendid season of summer, is waiting for them to explore! Such a delightful book, that follows an adventurous girl, and her dad, as they enjoy the simple pleasures of summertime. They have a picnic, watch the clouds, wade in a river, eat ice cream, and catch fireflies. The illustrations are stunning, and the lyrical text creates the perfect ode to the season. Readers will feel the excitement of this spunky girl, and relate to the special bond that she has with her daddy. Their sweet, tender moments, celebrate the timeless love between a parent and a child. And in a flowered field, they giggled, then fell down. They picked some daisies, too. Then Dad made her a crown. THE WONDERS OF SUMMER is a heartfelt book, that will inspire children to go outdoors, and appreciate the wonders and beauty of nature. This fun and playful story, will encourage kids to celebrate familiar summer themes, using their senses to play, learn, and dream. Adults will become nostalgic, thinking about their own past experiences. This touching book is a wonderful reminder that ordinary days, can be amazing and extraordinary, creating happy memories, that will last forever. THE WONDERS OF SUMMER applauds the power of childhood play, and family love. SHARE this charming story, with someone SPECIAL in your LIFE! This GORGEOUS, INSPIRATIONAL BOOK is reminiscent of these other books: I Love You, Daddy (Jilliam Harker), Why A Daughter Needs A Dad (Gregory Lang), And Then Comes Summer (Tom Brenner), When I Was Young in the Mountains: The Relatives Came (Cynthia Rylant), All the World (Liz Garton Scanlon), All the Places to Love (Patricia MacLachlan), and Sunshine and Snowballs (Margaret Wise Brown) THE WONDERS OF SUMMER is the perfect picture book for children, ages 2, 3, 4, 5, 6, 7, and 8. It will make a wonderful bedtime or anytime story! This book is great for classrooms, too! Teachers can use it with their students, in preschool, kindergarten, first grade, second grade, third grade, and up. It is a nice gift for Father's Day, baby showers, birthdays, and more. Notable themes in this book include: summertime, seasons, nature, natural play, parenting, adoption, diversity, mixed-race, and multi-cultural families. THE WONDERS OF SUMMER is the fourth children's book by author, Kealy Connor Lonning, and it was inspired by her daughter, one of her six children.

This excellent resource provides help for ministers who must plan their sermons not only according to the liturgical church year but also in response to the secular calendar of national holidays and public ceremonies, and in response to the program calendar of local and denominational emphases. Individual chapters discuss preaching about racial relations; family, church, and nation; the global witness of the church; work; evangelism; stewardship; and giving thanks. Suggestions for sermons on each theme are provided as well.

This volume examines the weather, animals, plants, customs and festivals from around the world that are associated with the season of summer. It explains how the weather changes from one season to the next, and why this happens. Activities and experiments are included.
