forced to put her trust in a man who unleashes her wildest fantasies and fears. A fierce creature of the night whose nature is to protect his female at any cost...

The ex-marine spoke with confidence and steely determination, but all Renny Bennett saw in his new bodyguard was a petite, doe-eyed nymph. Sabrina Dedune's feisty, take-no-prisoners attitude proved she took her job seriously. But suddenly the gorgeous body under that T-shirt seemed far more dangerous than any threat on his life. Sabrina was good at her job, but this talented sculptor and his erotic works of art left her reeling. Staying focused was hard when her body ached to taste all Renny had to offer. But after one searing kiss, she was guarding more than his body. Now her heart was at risk....

Three women form an unbreakable bond in a sexy, suspenseful, and adventurous novel about empowerment and sisterhood through thick and thin. Venus McGee, Draya Carter, and Jackie Benson are coworkers with a lot in common. They're smart, independent, driven, and deserving of recognition--certainly more than they've been handed by a demoralizing boss. He's the topic of conversation at their impromptu get-together after the company holiday party, where the threesome fantasizes about a life without him. There has to be an alternative to taking a deep breath and sucking it up. There is. It's just not the one they expected. When morning comes, Venus, Draya, and Jackie are blindsided by murder--a twist of fate that brings a startling new challenge to the table and forces them to navigate a hair-raising detour they never saw coming. For better and (unless they can help it) for worse, it's going to turn their world upside down. What starts as a necessary bond of mutual trust soon morphs into an empowering and galvanizing friendship that Venus, Draya, and Jackie need now more than ever.

One little party turned my world upside down. After I challenged the Blood Council's four shifter heirs at a college party, the last thing I expected was to receive a full scholarship and an admittance letter from the exclusive Wolf Moon Academy. Despite never desiring to be an alpha, this was an opportunity of a lifetime... or so I thought. I soon learned that there was more behind my admission to the Academy than my education. I was there to be a lesson to the heirs -- in particular, the sexiest and strongest one, Liam Hale. As if that wasn't bad enough, it turns out that he is my true mate. A fact that should be treasured, but he makes it clear that we will never be together. However, things aren't always what they seem, and we all have secrets- some bigger than others. When the truth comes out it'll either set me free or set me up for disaster. If you can't get enough of books by K.F.
