Aid Acid

The Electric Kool-Aid Acid Test is a 1968 nonfiction book by Tom Wolfe. The book is a popular example of the New Journalism literary style. Wolfe presents a firsthand account of the experiences of Ken Kesey and his band of Merry Pranksters, who traveled across the US in a colorfully painted school bus, the Furthur, whose name was painted on the destination sign, indicating the general ethos of ...

Si dice che chi ricorda gli anni Sessanta non li ha veramente vissuti. Tom Wolfe non solo li ha vissuti, ma li ha anche saputi raccontare con acume e immediatezza: in questo memorabile e ormai classico reportage pubblicato nel 1968, uno dei più riusciti esempi di "new journalism", lo scrittore ripercorre il "Magical Mystery Tour" di Ken Kesey attraverso gli Stati Uniti, dalla California a New York a

bordo del "Furthur", un bizzarro autobus dipinto in colori sgargianti guidato nientemeno che da Neal Cassady, reduce dall'epopea Beat. Tra una manifestazione contro la guerra in Vietnam e un arresto per possesso di marijuana, Kesey, autore di Qualcuno volò sul nido del cuculo, e i suoi Merry Pranksters, un eterogeneo gruppo di artisti, sperimentavano le potenzialità creative delle droghe organizzando festini a base di Lsd noti come Acid Test. Ma soprattutto fomentavano la rivoluzione, trascinando l'America su una via pericolosamente allegra. Taccuino in mano, Tom Wolfe gentilmente declinava l'offerta di Lsd e annotava, raccontando al mondo la nascita della controcultura hippy, dell'arte psichedelica, e di tutto ciò che ha fatto degli anni Sessanta un momento di eccezionale ispirazione.

Amerika in den frühen Sechzigerjahren: LSD-Experimente, San Francisco, Blumenkinder. Und eine Busreise, wie es sie nie zuvor gegeben hat und nie mehr geben wird. 1968 beschrieb Tom Wolfe die Reise von Ken Kesey und seinen "Merry Pranksters" in seinem legendären Klassiker. Ein Buch, welches längst als Neues Testament der Hipster-Mythologie gilt.

Tom Wolfe's debut collection of essays - a brilliant, form-bending dive into the future of America as it careened through the 1960s In 1965, Tom Wolfe dropped like a bomb onto the American literary scene with his first book, *The Kandy-Kolored Tangerine-Flake Streamline Baby*, an incandescent panorama of American counter-culture, its dances, bouffant hairdos, customised cars and rock concerts. Capturing the energy of the age in its portraits of Phil

non-fiction writing of the inventor of New Journalism.

Radical Chic and Mau-Mauing the Flak Catchers is classic Tom Wolfe, a funny, irreverent, and "delicious" (The Wall Street Journal) dissection of class and status by the master of New Journalism. The phrase 'radical chic' was coined by Tom Wolfe in 1970 when Leonard Bernstein gave a party for the Black Panthers at his duplex apartment on Park Avenue. That incongruous scene is re-created here in high fidelity as is another meeting ground between militant minorities and the liberal white establishment. Radical Chic provocatively explores the relationship between Black rage and White guilt. Mau-Mauing the Flak Catchers, set in San Francisco at the Office of Economic Opportunity, details the corruption and dysfunction of the anti-poverty programs run at that time. Wolfe

uncovers how much of the program's money failed to reach its intended recipients. Instead, hustlers gamed the system, causing the OEO efforts to fail the impoverished communities.

Ken Kesey (1935–2001) is the author of several works of well-known fiction and other hard-to-classify material. His debut novel, *One Flew Over the Cuckoo's Nest*, was a critical and commercial sensation that was followed soon after by his most substantial and ambitious book, *Sometimes a Great Notion*. His other books, including *Demon Box*, *Sailor Song*, and two children's books, appeared amidst a life of astounding influence. He is maybe best known for his role as the charismatic and proto-hippie leader of the West Coast LSD movement that sparked "The Sixties," as iconically recounted in Tom Wolfe's *The Electric Kool-Aid Acid Test*. In the

Bookmark File PDF The Electric Kool Aid Acid Test Tom Wolfe

introduction to "An Impolite Interview with Ken Kesey," Paul Krassner writes, "For a man who says he doesn't like to do interviews, Kesey certainly does a lot of them." What's most surprising about this statement is not the incongruity between disliking and doing interviews but the idea that Kesey could possibly have been less than enthusiastic about being the center of attention. After his two great triumphs, writing played a lesser role in Kesey's life, but in thoughtful interviews he sometimes regrets the books that were sacrificed for the sake of his other pursuits. Interviews trace his arc through success, fame, prison, farming, and tragedy—the death of his son in a car accident profoundly altered his life. These conversations make clear Kesey's central place in American culture and offer his enduring lesson that the freedom exists to create lives as wildly as can be imagined.
