THE BEST MARCIA BOOK EVER. I thought it would be a three way tie between Shackles of Honor, Light of the Lover's Moon, and Crimson Frost, until I read The Highwayman of Tanglewood. Now THIS is Marcia at her very, very, utmost best. I read it in one sitting and turned around and read it again the next day.

Even the roguish Highwayman of Tanglewood, who had been impishly robbing the wealthy for nigh unto a year, was known as a gentleman, never to have sullied any woman in any way—and the Highwayman of Tanglewood was a thief! A well-intentioned thief, perhaps—the likes of Robin Hood of old and with the same motivations—but a thief all the same.

A chambermaid in the house of Tremeshton, Faris Shayhan well knew torment, despair, and trepidation. To Faris it seemed the future stretched long and desolate before her-as bleak and dark as a lonesome midnight path. Still, the moon oft casts hopeful luminosity to light one's way. So it was that Lady Maranda Rockrimmon cast hope upon Faris-set Faris upon a different path-a path of happiness, serenity, and love. Thus Faris abandoned the tainted air at Tremeshton in favor of the amethyst sunsets of Loch Loland Castle and her new mistress, Lady Rockrimmon. Further, it was on the very night of her emancipation that Faris first met the man of her dreams-the man of every woman's dreams-the rogue Highwayman of Tanglewood. Dressed in black and astride his mighty steed, the brave, heroic, and dashing rogue Highwayman of Tanglewood stole Faris's heart as easily as he stole her kiss. Yet the Highwayman of Tanglewood was encircled in mystery-mystery as thick and as secretive as time itself. Could Faris truly own the heart of a man so thoroughly enveloped in twilight shadows and mysterious secrets?

Following the death of her parents, Sage Willows had lovingly nurtured her younger sisters through childhood. She loved her sisters. She'd seen each one married, and was glad to see them settled and happy. Furthermore, she held no resentment at never having found a good man of her own to settle down with. Yet, regret is different than resentment-and far more haunting. Still, Sage found as much joy as was allowed a lonely young woman-in being proprietress of Willows' Boardinghouse, and in the companionship of the four beloved widow-women boarding there. Until, that is, the devilishly handsome Rebel Lee Mitchell appeared. It seemed Reb Mitchel instantly and forever vanquished Sage's feigned contentment. Dark, mysterious and secretly wounded, Reb Mitchell utterly captured Sage's lonely heart. Nevertheless, to Sage Williows, the powerfully attractive cowboy-admired and coveted by every female in his path-seemed entirely unobtainable. How could a weathered, boardinghouse-proprietress resigned to spinsterhood, ever hope to hold the attention of such a man? And knowing she couldn't-would Sage Willows simply sink deeper into the bleak loneliness she'd secreted for so long?

Genieva Bankmans McLean was to find herself in the midst of treachery, violence and villainy with her estranged husband deeply entangled in it.

Ember Taffee had always lived with her mother and sister in the little cottage by the sea. Her father had once lived there too, but the deep had claimed his life long ago. Still, her existence was a happy one, and Ember found joy, imagination, and respite in the sea and the trinkets it would leave for her on the sand. Each morning Ember would wander the shore searching for treasures left by the tides. Though she cherished each pretty shell she found, her favorite gifts from Neptune were the rare mermaid tears-bits of tinted glass worn smooth and lovely by ocean. To Ember, in all the world there were no jewels lovelier than mermaid tears. Yet one morning, Ember was to discover that Neptune would present her with a gift more rare than any other-something she would value far more than the shells and sea glass she collected. One morning Ember Taffee would find a living, breathing man washed up on the sand-a man who would own claim to her heart as full as Neptune himself owned claim to the seas.

An aristocratic birthright and the luxurious comforts of profound wealth did nothing to comfort Fontaine Pratina following the death of her beloved parents. After two years in the guardianship of her mother's arrogant and selfish sister, Carileena Wetherton, Fontaine's only moments of joy and peace were found in the company of the loyal servants of Pratina Manor. Only in the kitchens and servant's quarters of her grand domicile did Fontaine find friendship, laughter and affection. The life of a wealthy orphan destined to inherit loomed before Fontaine-a dark cloud of shallow, arrogant associations-of aristocracy, void of simple joys-and void of love. Still, it was her lot-and she saw no way of escaping. Yet, one cold winter's night, a battered stranger appeared at the servant's entrance, seeking shelter and help. He gave only his first name, Knight-and suddenly, Fontaine found herself experiencing fleeting moments of joy in life. Knight was handsome, powerful-the very stuff of the legends of days of old. Though a servant's class was his, he was proud, strong and even his name seemed to validate his persona-and he blissfully distracted Fontaine from her dull, hopeless existence. Still, there were devilish secrets-strategies cached by her greedy aunt-and not even the handsome and powerful Knight could save her from them. Or could he? And if he did-would the truth force Fontaine to forfeit her Knight, her heart's desire-the man she loved?

Cozy is very close to her grandmother, Dottie, a widow in her sixties. They are both enthralled when a widower, Buck, also in his sixties, moves in next door. Saylor Christy knew chances were slim to none that any of her silly little daydreams would ever actually come true, especially any daydreams involving Mr. Booker. Yet, working as a candy striper at Rawlings Rehab, Saylor couldn't help but dream of belonging to Mr. Booker. And Mr. Booker stole her heart, perhaps unintentionally, but with very little effort.
