As Katie Oliver checked her reflection in the mirror she felt attractive, confident and happy. She was viewing the dress that she had designed for her entry into her school's last event for the 6th form girls. She didn't know that a few hours' later her life would be interfered with in the cruellest way for a teenager who believed that she had everything to live for. A kidnapping starts a journey of revenge that challenges Dan Turner, DSI of the MET's Special Crimes Division and Grace Fletcher, profiler and psychoanalyst, due to the absence of any evidence. Someone is ensuring that the Oliver family never go to bed at night without thinking about the past and struggling to rebuild the present.

Botox. Plastic surgery. Make-up. Women sometimes go to desperate lengths to distort, mold, and fashion their bodies into that of the "ideal" woman. They live with the reality of the body, from its reproductive implications to the pressures from the media to look a certain way. They are intimately connected to their bodies, but often find it difficult to link their experience of the female body with their desire for Christian spirituality. Lillian Barger presents *Eve's Revenge* to help women see how their understanding of their bodies impacts spirituality. Not a self-help book, it describes the tension women experience between their bodies and their desire for a spiritual life. Barger suggests the possibility of viewing women as

unified, not split, between body and soul. This model, offered through the life and work of Jesus Christ, provides insight into how Christian women ought to live in the world and in their own skin. Christian women struggling with a body/soul tension and those interested in the social and spiritual meaning of the female body will find this engaging book enlightening and helpful.

Interesting, informative, exploratory, the book attempts to interrogate the emotion of revenge. Combining academic discourses with popular representations, it moves across cultures and countries like India, Germany, USA, Africa and Brazil.

A modern-day Sioux warrior is “on the warpath,” avenging five of his most famous ancestors by killing contemporary white leaders. When the pinto-riding Indian “Avenger” brutally murders the Secretary of the Interior before thousands of onlookers at a Native American gathering on the Washington Mall, President Elizabeth Chamberlain decides to intervene. But, instead of relying on federal authorities, she turns to local D.C. detective Quinn Shannon, a Harley-riding, beer-swilling, over-the-hill cop with retirement on his mind. To track the assassin, Shannon relies on one of the Indian's own--an old Sioux Sundancer named Ben Soaring Eagle. It's a race against time as Shannon and Soaring Eagle try to stop the Sioux assassin before he completes the fifth revenge.

world of New York's elite." —Liv Constantine, bestselling author of *The Last Mrs. Parrish*

The name of the game is revenge—no matter the cost—in this emotionally charged thriller reminiscent of *The Wife Between Us* and *The Perfect Nanny*. Kerrie O'Malley, jobless and in an unfulfilling relationship, can isolate the exact moment in her life when things veered off course—the night she was irrevocably wronged by someone she looked up to. Eighteen years later, when Kerrie sees the very woman who destroyed her life on television, a fire ignites inside her. The stakes are high. The risks are perilous. But she'll stop at nothing to achieve the retribution she deserves. Jordana Pierson is a gilded New Yorker who appears to have it all: wealth, glamour, a successful and handsome husband, and a thriving wedding concierge business. Her record is spotless. Her business is flourishing. No one knows the truth about her and the dark shadows of her past. No one, that is, except Kerrie. Exploring just how far someone will go for vengeance, *Pretty Revenge* is "a fun, twisty thrill ride about the dark side of female friendship" (PopSugar).

The lives of four people are intermingled with action. There is love, lust, possessiveness and hatred. Along with these emotions, are God given skills and talents as well. These emotions are shown in short continuous narratives. There is bereavement, achievement, very graphic episodes of lust and possessive behavior. What happens when all of this comes together in one book?
