Contents: - Beyond Good and Evil - The Antichrist - Thus Spake Zarathustra

The works of Friedrich Nietzsche have fascinated readers around the world ever since the publication of his first book more than a hundred years ago. As Walter Kaufmann, one of the world's leading authorities on Nietzsche, notes in his introduction, "Few writers in any age were so full of ideas," and few writers have been so consistently misinterpreted. The Portable Nietzsche includes Kaufmann's definitive translations of the complete and unabridged texts of Nietzsche's four major works: Twilight of the Idols, The Antichrist, Nietzsche Contra Wagner and Thus Spoke Zarathustra. In addition, Kaufmann brings together selections from his other books, notes, and letters, to give a full picture of Nietzsche's development, versatility, and inexhaustibility. "In this volume, one may very conveniently have a rich review of one of the most sensitive, passionate, and misunderstood writers in Western, or any, literature." —Newsweek

Contents: - Beyond Good and Evil - The Antichrist - Thus Spake Zarathustra Friedrich Wilhelm Nietzsche was a German philosopher, cultural critic, composer, poet, philologist, and Latin and Greek scholar whose work has exerted a profound influence on modern intellectual history. He began his career as a classical philologist before turning to philosophy. He became the youngest ever to hold the Chair of Classical Philology at the University of Basel in

Read PDF The Portable Nietzsche Friedrich

1869 at the age of 24. Nietzsche resigned in 1879 due to health problems that plagued him most of his life; he completed much of his core writing in the following decade. In 1889 at age 44, he suffered a collapse and afterward, a complete loss of his mental faculties. He lived his remaining years in the care of his mother until her death in 1897 and then with his sister Elisabeth Förster-Nietzsche. Nietzsche died in 1900.

'Enigmatic, vatic, emphatic, passionate . . . Nietzsche's works together make a unique statement in the literature of European ideas' A. C. Grayling
Nietzsche was one of the most revolutionary thinkers in Western philosophy, and *Thus Spoke Zarathustra* remains his most influential work. It describes how the ancient Persian prophet Zarathustra descends from his solitude in the mountains to tell the world that God is dead and that the Superman, the human embodiment of divinity, is his successor. With blazing intensity, Nietzsche argues that the meaning of existence is not to be found in religious pieties or meek submission, but in an all-powerful life force: passionate, chaotic and free. Translated with an introduction by R. J. HOLLINGDALE

An expert on Nietzsche presents highlights from *The Birth of Tragedy*, *Thus Spake Zarathustra*, *Beyond Good and Evil*, and other works, and explains their significance to modern readers.
