(Piano/Vocal/Guitar Artist Songbook). The simplistic melodies of great hymns and spirituals are musical and theological treasures which Selah feels are too often taken for granted. With the release of their second album, Press On , they continue to breathe new life into previous generations of songs. Word Music brings you this folio of all the songs from the new album, plus four of the most popular songs from their debut recording Be Still My Soul . All songs are in their original keys and include the authentic vocal arrangements from the recordings. Songs include: Amazing Grace * Deep (Way Down) * His Eye Is on the Sparrow * Hold On * It Is Well With My Soul * Oh, Draw Me, Lord * Were You There * and more.

Over the years I have found the book of Psalms to be an irreplaceable gold mine for counsel and comfort. Woven into every one of these inspired songs are truths about our mighty God and his unfailing love for poor and needy folks like us. Take time from your busy day to rest in God's goodness, delight in his righteousness and mercy, and join with the psalmists in praise to a holy God who has everything under control. - Back cover.
