'I hope this book can empower people with simple, potent ways to feel better right now, to access calm and move through the waves of all their emotions.' Self-care for Tough Times is a gentle yet powerful toolkit to help during difficult times, such as the end of a relationship, loss of a loved one, career change and times of heightened emotions or anxiety. These are the times when self-care is most important and yet often forgotten, but just a few small moments can make a huge difference to how we feel, how we release emotions rather than bottle them up and how we ride the ups and downs. Practices include: Instant tension release exercises for the hands, shoulders, neck and face Pre-bedtime rituals to help with disturbed sleep Breathing exercises to calm the nervous system and reduce anxiety Soothing scents Releasing stuck emotions Learning how to relax and let go Keeping tech use healthy Questions to reflect on Anxiety, fear, anger, uncertainty and grief are all addressed, while Suzy also explores how stress and emotional trauma are held in the body, and how these may be gently released through touch, movement and breath. The practices included within are designed to promote healing and hope, and many are quick and easy for times when you feel exhausted or vulnerable so that you can both cope in the moment during tough times, then recover and restore after these difficult chapters of life. 'We will revive a weary body. We will refresh a tired mind.'

Newly updated: The bestseller "that could bring the human race a little closer to rescuing itself" from the subject of the film The Two Glorias (Naomi Wolf). Without self-esteem, the only change is an exchange of masters; with it, there is no need for masters. When trying to find books to give to "the countless brave and smart women I met who didn't think of themselves as either brave or smart," Steinem realized that books either supposed that external political change would cure everything or that internal change would. None linked internal and external change together in a seamless circle of cause and effect, effect and cause. She undertook to write such a book, and ended up transforming her life, as well as the lives of others. The result of her reflections is this truly transformative book: part personal collection of stories from her own life and the lives of many others, part revolutionary guide to finding community and inspiration. Steinem finds role models in a very young and uncertain Gandhi as well as unlikely heroes from the streets to history. Revolution from Within addresses the core issues of self-authority and unjust external authority, and argues that the first is necessary to transform the second. This ebook features an illustrated biography of Gloria Steinem including rare images from the author's personal collection, as well as a new preface and list of book recommendations from Steinem.

Stand Tall Like a Mountain is specifically designed to help parents empower their children to: - Learn tools for dealing with everyday emotions - Express how they are feeling - Learn about their bodies and minds in easy-to-read and understandable language - Develop tools for nourishment and coping with challenges - Use easy and fun yoga poses to promote positive feelings We teach our children how to brush their teeth and cross the road safely; this book is about broadening their toolkit to include emotional first aid. Suzy Reading introduces practices to encourage noticing emotions, feeling calm, expressing feelings, falling asleep more easily, coping with anger and feelings of anxiety and nurturing confidence and kindness. Children are natural masters of curiosity and mindfulness, so the learning is not a one-way street. The book encourages parents to observe and seek opportunities to

learn from their children too. "It's not easy to remember to care for ourselves and connect with our loved ones in this fast-paced life. Stand Tall like a Mountain gently stops you in your tracks, reminds you to breathe and gives practical support for living a kinder, calmer family life." - Lauren Seager-Smith, CEO Kidscape

Self Help by Samuel Smiles is the great book. Samuel Smiles was a Scottish author and government reformer. His masterpiece, Self-Help, promoted thrift and claimed that poverty was caused largely by irresponsible habits, while also attacking materialism and laissez-faire government. Self-Help "elevated Smiles to celebrity status: almost overnight, he became a leading pundit and much-consulted guru". The book was translated and published in Dutch, French, Danish, German, Italian, Japanese, Arabic, Turkish, and in several Indian languages. The founder of Toyota Industries Co., Ltd., Sakichi Toyoda was significantly influenced by his reading of Self-Help. A copy of Self-Help is under a glass display at the museum that exists on Sakichi Toyoda's birth site.

_____ THE TOP TEN BESTSELLER 'Unusually practical, non-patronising and authentic. Think Marie Kondo for the mind' Sunday Times Wellness pioneers Nadia Narain and Katia Narain Phillips have spent decades helping others to feel their best. But it took them a bit longer to learn to care for themselves. Here they share the small, achievable steps they picked up on a lifetime's journey towards self-care, and how you can apply them to your life, wherever you are. Right now, you may be deep in the waves of life, being tossed around. Learning self-care is like building your own life boat, plank by plank. Once you've got your boat, you'll still be rocked by the same waves, but you'll have a feeling of safety, and a stability that means you can pick other people up on your way.

Discover why time spent caring for yourself is always time well spent, and the countless ways you can improve your health, happiness, and wellbeing. When life is busy, it's easy to put yourself at the bottom of the to-do list and neglect your own needs. If this continues for a prolonged period of time, it will take its toll on your mental and physical health, which will ironically impact on those loved ones you're trying to care for, or that job you've been so committed to. This little book of self-care isn't about overnight transformation or a huge lifestyle makeover—it's about implementing small changes that will gradually improve your physical and emotional wellbeing. Do you need to sleep better and eat healthier foods? Are you in need of an energy boost or perhaps you struggle to wind down and relax? Are you a worrier? Do you get caught in a negative spiral of thinking? Does the clutter in your home get you down? Are you overwhelmed with commitments and looking for more balance? Whatever you need to work on, you'll find advice and inspiration inside this handy guide.

Discover how you can cut the stress, catch up on sleep and breathe a little easier with 50 practical tips to really make you feel happier! The world is a pretty stressful place, especially right now, and we all need some help reminding us to take care of ourselves. But the good news is that there are loads of easy tips and tricks to keep yourself feeling happy, from customising your own bedtime ritual to how to resolve arguments with your parents. Complete with simple breathing exercises, yoga poses and even advice on the best food to eat when you're feeling down, this is a one-stop guide to transform worried kids into happy, confident ones. Author Suzy Reading, a mum of two as well as being a chartered psychologist and yoga teacher, knows that the emotional wellbeing of children is just as important as their physical health. Good mental health allows children to develop the resilience to cope with whatever life throws at them and grow into well-rounded, healthy adults. Funny, engaging and practical - and brought to life with illustrations by Alex Paterson - this is the ideal book to help readers cope with their emotions and face each day raring to go.
