Trust Me, Book One is the first part of Matty and Kayla's story, in The McDaniels Brothers Serial. Matty is the oldest of the McDaniels brothers, and has always been the brother to shoulder the responsibility of his younger brothers, Bash and Reid, and put them first, even above his own best interests.

Matty and Kayla's complete story. Preceded by Fix You, Bash and Olivia's story. As the oldest McDaniels boy, it's always been Matty's job to take care of his brothers, but lately, he's been doing a crappy job of it. After a rough couple months, his brother Bash is finally back on track to make a big name for himself in the boxing world, but when his golden opportunity gets taken away, there's nothing Matty won't do to fix it. Even if it means making a deal with the

devil...and his bossy, red-headed protege. Kayla James wasn't always notorious Boston mobster Mickey Flynn's right hand. Before that, she was nobody. He might not be perfect, but he took her in when she had no one else, and she'll be forever in his debt. If he wants her to manage his cocky new MMA fighter and turn him into a money-making machine, she'll do it...but she doesn't have to like it."

From the day of Gradys birth, Graham felt the need to protect his small brother. After the loss of their parents, that need became his life. During the course of the last six months, that life was suddenly filled with chaos. That chaos was culminating in the events unfolding this day on a one-way course for a single moment. That moment in time at last arrived, bringing him to this final confrontation. Change is inevitable. For the high school students of the small town of Martin change had become a thing to fear or anticipate. In the course of half a year, the town had experienced the transformation of a number of their youth. Now four of them were facing the impact of those changes. It meant something different for Graham, Matthew and RJ. One dreaded it, one feared it meant discovery, and the other was directed toward a goal of stopping it. The three of them were on a path that would end in a way none could ever imagine. For Douglas, the first of the Changed, relocation meant a chance to help him cope with his volatile talent. What he didnt know was his talent was pushing him toward a conflict that would have dire consequences for him and the friends he had left behind in Martin. None of them were aware of the Catalyst, the search for it, the conspiracy to hide it, or how its existence was targeting one of them. Now is the time of transformation.

Maggie Bowers thinks she knows what to expect her junior year of high school, but when she and her out-of-the-closet best friend Nash have feelings for the same boy she wonders if winning someone's heart means losing her soul mate.

Seasoned social worker Kayla Brooks has dealt with her fair share of difficult situations, but nothing could have prepared her for the likes of Dean Wyatt, head of Wyatt House Group Home for Boys. When a case unexpectedly brings Kayla to his door in the middle of the night, sparks fly. With a piercing gaze and heavily inked skin, Dean looks like a walking wet dream. Until he turns out to be an asshole. Dean Wyatt has always kept those around him at arm's length. Secrets lurk beneath his tattoos—a traumatic past known to very few. Forced to work together in order to help two vulnerable boys, Kayla slowly penetrates Dean's tough exterior. Along the way the two discover something they've each been missing—but only time will tell if they can overcome the painful past that's kept anyone from bringing true happiness into Dean's world. This book contains adult situations and sexual content. For mature audiences only. Praise for Angel of Redemption: I absolutely loved it! One of the best books I have read in the last few months, which is saying a lot with the amount of books I got through." —Goodreads reviewer "This has just moved into my number one read this

fall." –Goodreads reviewer "I highly recommend this book to anyone that loves romance, helping children, and finding your place in the world." –Once Upon an Alpha

Are you attracted by the promises of agile methods but put off by the fanaticism of many agile texts? Would you like to know which agile techniques work, which ones do not matter much, and which ones will harm your projects? Then you need *Agile!*: the first exhaustive, objective review of agile principles, techniques and tools. Agile methods are one of the most important developments in software over the past decades, but also a surprising mix of the best and the worst. Until now every project and developer had to sort out the good ideas from the bad by themselves. This book spares you the pain. It offers both a thorough descriptive presentation of agile techniques and a perceptive analysis of their benefits and limitations. *Agile!* serves first as a primer on agile development: one chapter each introduces agile principles, roles, managerial practices, technical practices and artifacts. A separate chapter analyzes the four major agile methods: Extreme Programming, Lean Software, Scrum and Crystal. The accompanying critical analysis explains what you should retain and discard from agile ideas. It is based on Meyer's thorough understanding of software engineering, and his extensive personal experience of programming and project management. He highlights the limitations of agile methods as well as their truly brilliant contributions – even those to which their own authors do not do full justice. Three important chapters precede the core discussion of agile ideas: an overview, serving as a concentrate of the entire book; a dissection of the intellectual devices used by agile authors; and a review of classical software engineering techniques, such as requirements analysis and lifecycle models, which agile methods criticize. The final chapters describe the precautions that a company should take during a transition to agile development and present an overall assessment of agile ideas. This is the first book to discuss agile methods, beyond the brouhaha, in the general context of modern software engineering. It is a key resource for projects that want to combine the best of established results and agile innovations.

Fool Me Once...Shame On You Fool Me Twice...Shame On Me Fool Me Thrice...Shame On Both of Us For three years, Gordon was Kayla's best friend and trusted confidant. Their only communication was online, but she felt safe sharing her deepest, darkest secrets with the man who had deeper and darker secrets of his own. But six months ago, everything changed. Kayla changed, and Gordon had no place in her new life. After seventeen years of being an outcast, Kayla started making friends, dating, getting involved with school activities--being a normal teenage girl. Now Gordon has decided he wants Kayla back and won't take no for an answer. She can cry, and beg, and try to push him away, but he is never letting her go. Being with Gordon will cost her

everything, leaving no room for her family, her friends, or the future she was on track to achieve. But he could also be her one chance at a life that feels good instead of one that just looks good. Gordon is used to breaking the rules and stopping at nothing to get what he wants, but Kayla has to decide whether she can throw that much caution to the wind for the sake of true love. Please Note: This novel contains content that may be offensive to some readers, including but not limited to abduction, dub-con, and grooming

Ric Costanza and Connor Ferguson grew up together, friends all the way through high school - until Ric pushed Connor away when they were both sixteen. Self-preservation is a very strong force indeed. Connor had his own theory as to why it happened... When they meet up eight years later, a lot of water has passed under the bridge. Ric is about to enter the priesthood and Connor is engaged to Keira. Except all is not as it seems. Ric is a mess, and Connor wants to help. What starts out as a simple offer to provide a shoulder for a former best friend becomes more than both men bargained for.

"The pacing, script, and artwork are all dynamite" AIPT CHIP ZDARSKY (Daredevil) and RAMÎN K PfREZÕs sensational horror series returns! Chaos in Stillwater erupts!
