Yearbook has been the authoritative source on New Zealand, its people, its government and its industry. An essential reference for libraries, businesses, education and media. Provides a comprehensive picture of life in New Zealand based on the most recent and accurate information available from both the public and the private sector.

The importance of the Chinese diaspora is widely recognized. Wanning Sun examines the key role of the media in the Chinese diaspora. She focuses especially on the media's role in communication, in fostering a sense of community, in defining different kinds of 'transnational Chineseness' - overseas Chinese communities are often very different from one country to another - and in showing how media communication is linked to commerce, which is often a key
