Katarina Bishop has worn a lot of labels in her short life: Friend. Niece. Daughter. Thief. But for the last two months she ’ s simply been known as the girl who ran the crew that robbed the greatest museum in the world. That ’ s why Kat isn ’ t surprised when she ’ s asked to steal the infamous Cleopatra Emerald so it can be returned to its rightful owners. /DIV There are only three problems. First, the gem hasn ’ t been seen in public in thirty years. Second, since the fall of the Egyptian empire and the suicide of Cleopatra, no one who holds the emerald keeps it for long—and in Kat ’ s world, history almost always repeats itself. But it ’ s the third problem that makes Kat ’ s crew the most nervous, and that is . . . the emerald is cursed. Kat might be in way over her head, but she ’ s not going down without a fight. After all, she has her best friend—the gorgeous Hale—and the rest of her crew with her as they chase the Cleopatra around the globe, dodging curses and realizing that the same tricks and cons her family has used for centuries are useless this time. Which means, this time, Katarina Bishop is making up her own rules. DIVCritics and fans alike have fallen for the Heist Society series (no conning necessary). With more mystery, non-stop action, romance and humor, this second novel is just as irresistible.

Katarina Bishop and W.W. Hale the fifth were born to lead completely different lives: Kat comes from a long, proud line of loveable criminal masterminds, while Hale is the scion of one of the most seemingly perfect dynasties in the world. If their families have one thing in common, it's that they both know how to stay under the radar while getting-or stealing-whatever they want. No matter the risk, the Bishops can always be counted on, but in Hale's family, all bets are off when money is on the line. When Hale unexpectedly inherits his grandmother’s billion dollar corporation, he quickly learns that there's no place for Kat and their old heists in his new role. But Kat won't let him go that easily, especially after she gets tipped off that his grandmother’s will might have been altered in an elaborate con to steal the company’s fortune. So instead of being the heir-this time, Hale might be the mark. Forced to keep a level head as she and her crew fight for one of their own, Kat comes up with an ambitious and far-reaching plan that only the Bishop family would dare attempt. To pull it off, Kat is prepared to do the impossible, but first, she has to decide if she’s willing to save her boyfriend’s company if it means losing the boy.

Masalahnya, sudah tiga puluh tahun batu itu disembunyikan dan tak pernah diperlihatkan kepada publik. Belum lagi soal menentukan strategi terbaik untuk pencurian ini. Tapi masalah terbesar yang membuat kru Kat paling gugup adalah... zamrud itu dikutuk! Kabarnya, Cleopatra—pemilik pertama zamrud itu—bahkan bunuh diri setelah memotong batu itu, dan sampai sekarang belum ada yang berhasil mematahkan kutukan tersebut! Kali ini, mungkin Kat nggak bisa mengandalkan trik-trik lama dalam sejarah panjang dunia pencurian. Ia harus mengerahkan seluruh bakatnya, dengan bantuan Hale si cowok miliuner dan seluruh krunya yang lain.

"April thought she had her happy ending. After all, she has her new house and new friends and new guardian. But she also has a very big new secret. The kids of Winterborne House are the only ones who know that Gabriel Winterborne--famous billionaire and terrible cook--is really a sword-wielding vigilante. What they don't know is that he's not the only one. When a masked figure breaks in, looking for something--or someone--it's clear that Gabriel has met his match, and now no one is safe. April and her friends will have to solve a decades-old mystery in order to hang on to the most important thing in the world: each other."--

Digging up lost secrets is always dangerous. For the past three years, Grace Blakely has been desperate to find out the truth about her mother ’ s murder. She thought it would bring her peace. She thought it would lead her to answers. She thought she could put the past to rest. But the truth has only made her a target. And the past? The only way to put the past to rest is for Grace to kill it once and for all. On Embassy Row, power can make you a victor or a victim; love can turn you into a fool or a fugitive; and family can lead you forward or bury you deep. Trust is a luxury. Death is a very real threat. And a girl like Grace must be very careful about which secrets she brings to light.

There I was: Cammie the Chameleon--the Gallagher Girl who had risked the most sacred sisterhood in the history of espionage. For a boy. But I was through with lying. And sneaking around. I was going to be...myself. Despite Cammie's best intentions to be a normal student, danger seems to follow her. Cammie and her friends must clear her name by discovering the truth about some mysterious guests...but this time the stakes for Cammie's heart - and her beloved school - are even higher.

Her mother was murdered. 3. Someday she is going to find the killer and make him pay. As certain as Grace is about these facts, nobody else believes her -- so there's no one she can completely trust. Not her grandfather, a powerful ambassador. Not her new friends, who all live on Embassy Row. Not Alexei, the Russian boy next door, who is keeping his eye on Grace for reasons she neither likes nor understands. Everybody wants Grace to put on a pretty dress and a pretty smile, blocking out all her unpretty thoughts. Because on Embassy Row, the countries of the world stand like dominoes, and one wrong move can make them all fall down.
